HORSE WELFARE

HORSE WELFARE is of utmost importance to Tattersalls. Our veterinary advisors provide expert guidance and advice in terms of what health documentation is required for each horse prior to its arrival at Park Paddocks and their services are available to us round the clock.
All horses are formally identified by our veterinary team whilst on site ahead of being offered for sale.

Tattersalls recommends that, whilst conducting any horse movements on Park Paddocks, horses are handled in either a bridle or a headcollar with a chifney.
Additionally, we advise that foals are handled using a headcollar with foal bit.

For all sales at Park Paddocks, Tattersalls employs a Welfare Officer to patrol the complex and report any issues regarding horse welfare to the Park Paddocks' management team.

For any concerns about the welfare of any horse on Tattersalls' premises, please contact the Control Office which is operational 24 hours a day during the sales.

CYBERCRIME

Criteria for Pedigree Compilation

The following criteria have been agreed in principle by those Sales Companies represented on the European Sub-Committee of the International Cataloguing Standards Committee.

1. Pedigrees may not extend beyond the fifth dam. Only black-type performers and their links may be mentioned under the fifth dam.

2. Certain relationships to the subject animal are designated 'key positions'. Key positions comprise:
   - the subject animal him/herself
   - the first dam of the subject animal and any of her descendants

   Only in the case of animals in key positions may the race names of non-black type races be carried. Only in the case of animals in key positions may a 4th-placing in a Group/Graded race be mentioned (NB Such a placing will not confer black type, except as set out on page viii of the ICSC Booklet 2010).

3. Jump Races appearing in Part IV of the ICSC Booklet may confer black type, but only if the type is italicised to differentiate it clearly from the black type given to flat race performances.

4. No reference to relationships may be made other than in the case of the Full-(i.e. 'own-') brother or sister. (That is to say, references such as 'three-parts sister to' and 'bred on the same lines as' are disallowed). Except in the case of the subject animal, the horse to whom the animal in question is related must be a black-type horse.

5. 'Excellence narrative' must be restricted to the top horse in any qualifying category. Thus, while a Sales Company may elect to use any one of the following terms – 'Champion,' 'Top-rated' or 'High-weighted' – such terms as '2nd Top-rated' may not be used. Further, excellence narrative may only be applied to horses which
   - have been officially rated top within the following categories or combination of categories:
     Continent
     Country
     Sex
     Age
     Distance range
   - have been published in the relevant section of the ICSC Booklet

6. Performances outside the home country of the catalogue in question will be indicated as such, either by citing the country(ies) by name or by use of the word 'abroad'.

This catalogue has been compiled in accordance with the criteria agreed by the International Cataloguing Standards Committee.

Notices to Purchasers
Catalogue Explanation

Within the catalogue each horse mentioned will appear in one of 6 typefaces. These are:

HORSE - a Group/Graded, Listed Stakes winner as approved in parts 1& 2 of the Cataloguing Standards Guide published by I.C.S.C.
Horse - a horse placed second or third in the races above.*
HORSE - a winner of a race (either flat or N.H.).
Horse - a non-winner
HORSE - a winner of a National Hunt Pattern race.
Horse - a horse placed in a National Hunt Pattern race.

*Horses placed fourth in such races in 1989 or before remain qualified for Black Type (GR 1 fourths only in 1989).

From 1st of January 2020 only horses finishing second and third in any race will be deemed to be 'placed'.

For the dam, 2nd dam and (if shown) 3rd dam of the subject animal a précis is given of their winners, runners and foals of racing age (flat catalogues) or total foals (N.H. catalogues). For the dam of a yearling, her 3 year old and 2 year old (where applicable) are shown and for the dam of a foal, her yearling also.

For all broodmares a full breeding-record is shown.

4th and 5th dams may be included (Black Type data and links only) if space allows.

Inclusion of Form
All form shown is for performances on the flat unless otherwise specified.
For a subject animal or within the 1st dam of the pedigree, non Black-Type data may be included (Class 6 races or below excepted). When a subject animal has run under National Hunt Rules (or its equivalent) outline details of its performances must be included.

Within the 1st dam, details of win and place form under National Hunt Rules (or its equivalent) must be included, if applicable, for any lot mentioned

National Hunt Form (or its equivalent) in the 2nd dam or beyond need not appear.

Racing Careers
Purchasers should be aware that details of racing careers of Lots are not intended to be comprehensive and purchasers should therefore make their own enquiries concerning the full racing career of any particular Lot. Additionally, in view of the time elapsing between production of the catalogue and the date of sale, there may well be further racing performances and/or official rating changes not recorded in the catalogue nor announced from the rostrum.

Where applicable, Horses In Training pedigrees display a summary of the subject animal's performances, BHA/IHRB ratings, latest starts and wins prior to the date of catalogue production. (Horse In Training pedigrees in a December Mare Sale need not display latest start and win information). Enhanced form is output in the format below:

Date	Finish Pos/ No. Runners	Race Class/Name/Type	Racecourse	Going	Distance
15/10/21	1/15	Class 5 (WFA Nov)	Redcar	GS	6f

For each horse the three most recent runs will be listed. In addition, each horse will have their three most recent wins listed (if applicable). Where a recent win already appears in recent runs it will not be duplicated under most recent wins.

Catalogue Details
Pedigrees and performances are supplied for the sales catalogues by Weatherbys Bloodstock Services as a service to Tattersalls who are acting in their capacity as agent for the Vendors. The Vendors are solely responsible for the accuracy of all information concerning their horses (see Condition 13). Neither Weatherbys Bloodstock Services nor Tattersalls accepts liability for any loss resulting from any errors or omissions contained in the catalogue details.

Notices to Purchasers
Conditions of Sale

These Conditions of Sale apply to all Lots sold at Tattersalls Bloodstock Sales Somerville Yearling Sale 2026 onwards. Tattersalls draw your attention to the Notices to Purchasers, Guide to Cataloguing Details and Bloodstock Industry Code of Practice printed in each catalogue.

1. Parties
1.1 The Purchaser shall be the highest bidder acceptable to the Auctioneer subject to the right reserved by TATTERSALLS to fix a minimum selling price at all or any Sales and subject to any reserve price.
1.2 The Vendor shall be the person or persons stated in TATTERSALLS sales entry form to be the owner or owners of the Lot.

2. Conduct of Sale
2.1 All Lots offered for sale will be subject to a reserve price which shall be either the minimum selling price or any higher reserve price in respect of which TATTERSALLS have received written notification from the Vendor prior to the time at which the Lot is put up for auction.
2.2 As provided for by Law a seller of a Lot OR any one person on his behalf may bid for that Lot at the auction. The seller shall mean the Vendor or, if different, the owner. Where however a Lot is stated to be "Partnership Property" any partner, syndicate member, co-owner or other person interested therein may bid on his own behalf either personally or through an agent.
2.3 The Auctioneer is the sole arbiter as to the existence or otherwise of any dispute during and/or in connection with the conduct of the sale and if any such dispute arises the Lot so disputed shall be immediately put up again and re-sold.
2.4 The Auctioneer reserves the right without giving any reason therefor to reject or ignore any or all bids.
2.5 TATTERSALLS reserves the right to withdraw any Lot before or during any Sale without giving any reason therefor.
2.6 It is the Vendor's duty to ensure that written notification of any reserve price greater than the minimum selling price is received by TATTERSALLS prior to the time at which the Lot is put up for auction.
2.7 Internet bidding facilities may be provided by TATTERSALLS and, where provided, their use shall be subject both to these Conditions of Sale and to TATTERSALLS' Internet Bidding Terms. Vendors and bidders are strongly advised to read these Conditions of Sale and TATTERSALLS' Internet Bidding Terms.
2.8(a) A copy of the current Bloodstock Industry Code of Practice ("the Code") is available for inspection in Tattersalls' Sales catalogues and on Tattersalls' website.
(b) All participants at Tattersalls Sales (whether vendors, purchasers, agents or otherwise) hereby acknowledge that they are bound by and agree to observe in full the Code including any amendments to the Code as may be made and published from time to time. Tattersalls does not operate a Sales House initiative as described in Rule 7 (D) of the Code.
(c) Tattersalls reserves the right to exclude for a period to be determined in its absolute discretion any person or entity from participating whether directly or indirectly in its Sales or from attending its premises in both Britain and Ireland (whether vendors, purchasers, agents or otherwise) where they or any person or entity acting on their behalf have been found guilty of a criminal offence appearing to Tattersalls to involve a breach of the Code, or who has been found liable in the High Court or similar proceedings for conduct appearing to Tattersalls to involve a breach of the Code (whether such criminal or civil proceedings take place in Britain, Ireland or elsewhere) or who has been sanctioned by the British Horseracing Authority for breach of the Code.
(d) Participants at Tattersalls' Sales authorise Tattersalls to disclose to the Code Panel Lawyer upon request whether and if so when that participant signed a sales entry form or purchase confirmation slip acknowledging that the participant was bound by and agreed to observe the Code.

3. Commission and Fees
3.1 An entry fee is payable to TATTERSALLS by the Vendor in respect of each Lot entered and catalogued.
3.2 Commission is payable to TATTERSALLS by the Vendor at the rate of 5% of the price of each Lot whether:
(a) sold or bought in by auction at TATTERSALLS Sales, or
(b) sold otherwise than by auction at TATTERSALLS Sales after the FOC Withdrawal Date (as stated in TATTERSALLS

Sales Information Notice issued to Vendors for the Sale) or, if later, after the date of acceptance by TATTERSALLS of an entry of a Lot for the Sale and 28 days after the last day of that Sale.
Provided that for the purpose of sub-condition (b) above TATTERSALLS reserves the right to substitute a fair price for any sale price notified to it or to determine a fair price when no sale price is notified to it. Provided also that where a Lot is bought-in 100% by the Vendor and
(i) TATTERSALLS receive written notification to that effect by the end of selling on the day of the buy-in, and
(ii) the Vendor instructs TATTERSALLS to publish the Lot as bought-in, then the rate of commission is reduced to 2.5%. Full Commission is to be paid by the Vendor to TATTERSALLS on demand in respect of any Lot returnable and returned to the Vendor.
3.3 An Auction fee is payable to TATTERSALLS by the Vendor at the rate of 2.5% of any reserve price of any Lot. However, where the reserve price is 20,000 guineas or less no fee will be charged.
3.4 A withdrawal fee is payable to TATTERSALLS by the Vendor in respect of any Lot which is entered and catalogued for a Sale and which is withdrawn prior to the time at which it is due to be sold in the Sale unless a Veterinary Certificate to TATTERSALLS' satisfaction is produced or unless commission is payable under sub-condition 3.2(b).
3.5 Commission and Fees are subject to VAT or equivalent where applicable.

(b) take away at his own expense every Lot purchased by him, the day following the sale of that Lot or as directed in the catalogue.
5.2 If the Purchaser shall fail to comply with any of the Conditions set out in 5.1(a) TATTERSALLS may retain possession of and resell the Lot and any progeny born after the Sale to a Lot described as "believed in foal" (hereafter "its Progeny") either immediately or otherwise by public or private sale.
5.3 If the Purchaser shall fail to pay to TATTERSALLS the Purchase Price and any interest due thereon pursuant to these Conditions then, save where TATTERSALLS shall have exercised its rights under sub-condition 5.2 or sub-condition 6.5, TATTERSALLS shall be entitled to sue for the full amount of the Purchase Price and interest thereon. As between TATTERSALLS and the Vendor TATTERSALLS shall be under no duty to sue and nothing which it does or does not shall affect the right of the Vendor to enforce any right he may have against the Purchaser.
5.4 Unless there is in force a Purchasers Authorisation accepted in writing by TATTERSALLS the highest bidder in the ring or via internet bidding and any principal (including but not limited to any company or other entity of which such bidder is a director, officer or employee or with which he is otherwise connected) for whom he may be acting shall be jointly and severally liable under the contract of sale and under these Conditions of Sale.

6. Title and Possession
6.1 TATTERSALLS may at its absolute discretion permit the Purchaser to take away a Lot notwithstanding that the Purchaser has not complied with the obligation immediately to pay the Purchase Price pursuant to 5.1(a)(iii). If TATTERSALLS so permits the Purchaser to take away a Lot it does so as a matter of grace and the Purchaser shall remain liable to pay the Purchase Price as aforesaid.
6.2 The property in a Lot and its Progeny (if any) shall not pass to the Purchaser or any principal for whom he is acting until the Purchase Price has been paid in full together with any interest due thereon pursuant to these Conditions. The Lot and its Progeny (if any) shall be at the Purchaser's risk in all respects from the fall of the hammer. Until the Purchase Price of a Lot has been paid in full together with any interest due thereon pursuant to these Conditions, the Purchaser and/or his principal shall not whether acting by himself, his servants, agents or otherwise howsoever enter, or cause or permit the said Lot to be entered for or to run in or otherwise participate in a race recognised by any Racing Authority unless TATTERSALLS' prior written consent has been obtained.

6.3 At any time until property in a Lot and its Progeny (if any) has passed to the Purchaser or any principal for whom he is acting the Purchaser and/or his principal shall forthwith, on demand by TATTERSALLS (a) deliver up possession of the Lot and its Progeny (if any) to TATTERSALLS or (b) inform TATTERSALLS of the name and address of any third party in possession of the Lot and its Progeny (if any) and irrevocably instruct that third party to hold the Lot and its Progeny (if any) to the exclusive order of TATTERSALLS and provide written evidence to TATTERSALLS satisfaction that such instruction has been given. Upon a demand being made by TATTERSALLS under this sub-condition, any licence which the Purchaser and/or his principal may have to sell the Lot and/or its Progeny shall forthwith determine.
6.4 If the Purchaser and/or his principal fail to comply with a demand for delivery up of a Lot and its Progeny (if any) made under sub-condition 6.3, TATTERSALLS may enter upon any premises owned, occupied or controlled by the Purchaser and/or his principal where the Lot and/or its Progeny are situated to repossess the Lot and its Progeny (if any) at any time between 9am and 6pm on any day.
6.5 At any time after making a demand pursuant to sub-condition 6.3 above TATTERSALLS may resell any Lot and its Progeny (if any) and such sale may be held immediately or otherwise by public or private sale.

7. Purchaser's liability after resale
7.1 (a) Subject to paragraph (c) below, where TATTERSALLS resells a Lot and/or its Progeny pursuant to a power to resell it under any provision of these Conditions, the Purchaser shall be liable to pay the difference between (i) the unpaid balance of the Purchase Price together with interest due thereon pursuant to these Conditions up to the date of resale and (ii) the price agreed on the resale (if lower) after deduction of any expenses incurred in the sale. If a higher price is agreed on the resale,TATTERSALLS shall be entitled to keep the full amount paid.
(b) TATTERSALLS shall be entitled to sue in respect of that liability as soon as the contract for resale is made (whether or not payment has been made or is yet due under that contract).
(c) If the Purchaser under the contract of resale defaults, the Purchaser shall remain liable for (i) the unpaid balance of the Purchase Price together with interest due thereon pursuant to these Conditions less (ii) such sum, if any, as is paid under the contract of resale.
7.2 The Purchaser shall also be liable to pay TATTERSALLS any expense (including legal costs) incurred in recovering any Lot and/or its Progeny (if any) pursuant to these Conditions and any expense incurred for a reasonable period thereafter in connection with the Lot and/or its Progeny including the cost of keeping, training, transporting and/or insuring the Lot and/or its Progeny and/or engaging any veterinarian, farrier or other person for the purpose of treating the Lot and/or its Progeny.
7.3 The Purchaser shall be liable to pay interest on all sums due under this Condition at the rate provided for in these Conditions.
7.4 TATTERSALLS shall be entitled to sue for any sum due under this Condition. As between TATTERSALLS and the Vendor TATTERSALLS shall be under no duty to sue and nothing which it does or does not do shall affect the right of the Vendor to enforce any right he may have against the Purchaser.

8. Responsibility for Horses
8.1 Each Lot shall be at the Vendor's risk from the time of arrival for the period the Lot shall be at Park Paddocks (including Terrace House Yard) or outside standing (hereinafter collectively called "the Premises"), unless such Lot shall have been sold, in which case such Lot shall be at the Purchaser's risk in all respects from the Fall of the Hammer, or time of sale, if sold privately.
8.2 TATTERSALLS has a general right to move a Lot between different parts of the Premises. TATTERSALLS shall incur no liability in respect of or in connection with any loss of or harm sustained by a Lot (including theft, death or injury) at any time whilst on the Premises or in transit between different parts of the Premises.
8.3 TATTERSALLS shall not be liable for any loss or damage caused by any Lot whether by disease, accident or otherwise whilst the said Lot is on the Premises or in transit between different parts of the Premises save that nothing in this sub-condition shall be taken as excluding or restricting or as attempting to exclude or restrict TATTERSALLS' liability for death or personal injury resulting from negligence as defined in the Unfair Contract Terms Act 1977.
8.4 TATTERSALLS reserve the right to examine any Lot and/or isolate any Lot and/or refuse any Lot entry to or require the removal of any Lot from the Premises where in TATTERSALLS discretion any such Lot presents or appears to present a danger to persons, property or other bloodstock. TATTERSALLS shall incur no liability in the event of TATTERSALLS exercising its rights under this sub-condition.
8.5 No Lot shall be removed from the Premises without a written order from TATTERSALLS. For the avoidance of doubt, removal of a Lot from Park Paddocks (including Terrace House Yard) to any outside standing by TATTERSALLS staff shall not constitute removal from the Premises for the purpose of these Conditions of Sale.

9. Vendors

9.1 The Vendor shall be entitled to receive the proceeds of sale of each Lot sold (less any commission and fees due) on but not before the 35th day following the last day of each Sale provided that:

(a) TATTERSALLS shall have received the full amount of the purchase price or released the Lot from the Premises and

(b) TATTERSALLS shall not have been notified that a dispute has arisen in respect of or in connection with payment for the Lot and/or the proceeds of sale thereof whether under these Conditions of Sale
or otherwise howsoever and

(c) TATTERSALLS shall not have granted an extension of time for lodgement of a Veterinary Certificate pursuant to Condition 11. TATTERSALLS shall incur no liability in the event of TATTERSALLS withholding payment pursuant to this Condition and the Vendor expressly acknowledges that, notwithstanding the provisions of Condition 5, TATTERSALLS is entitled to release a Lot from its premises without first having obtained payment therefor and

(d) If TATTERSALLS resells a Lot pursuant to sub-condition 5.2 or otherwise without releasing the Lot from the Premises, then (without prejudice to any rights which TATTERSALLS or the Vendor may have against the defaulting Purchaser) the proceeds of sale to which the Vendor is entitled under this sub-condition 9.1 shall not be the proceeds of the first sale (in respect of which the Purchaser has defaulted) but shall be limited to the proceeds of the re-sale, and subject to that, the Conditions of Sale generally, including paragraphs (a), (b) and (c) above and, in case of a further resale, this paragraph (d), shall apply to the re-sale.

9.2 (a) In any case where TATTERSALLS shall have received the purchase monies from the Purchaser but shall have been notified of a dispute within the meaning of Condition 9.1 (b) it is entitled to account for the said monies when the said dispute shall have been resolved either by agreement or, failing agreement, by court proceedings. TATTERSALLS shall incur no liability in the event of TATTERSALLS withholding payment persuant to this sub-condition.

(b) Where a Vendor is indebted to TATTERSALLS, the proceeds of sale of each Lot sold (less any commission and fees due) may be immediately credited against the Vendor's outstanding account. Any credit balance remaining on the account (after the debt to TATTERSALLS has been discharged) shall then be paid by TATTERSALLS to the Vendor in accordance with this Condition.

(c) Where a Vendor is indebted to Tattersalls (Ireland) Limited, a wholly owned subsidiary of Tattersalls Limited, or a related company majority owned by Tattersalls Limited (hereinafter collectively called "TATTERSALLS GROUP"), the proceeds of sale of each Lot sold (less any commission and fees due) at any TATTERSALLS Sales may be immediately credited against the Vendor's outstanding TATTERSALLS GROUP account(s) without the necessity of any endorsement or authorisation from the Vendor. Any credit balance remaining in the Vendor's TATTERSALLS account (after the debt to TATTERSALLS GROUP has been discharged) shall then be paid by TATTERSALLS to the Vendor in accordance with this Condition. Where there is a dispute in connection with the amount owing to TATTERSALLS GROUP, TATTERSALLS is entitled to withhold the monies the subject of the dispute and shall account for the said monies when the dispute has been resolved either by agreement or, failing agreement, court proceedings.

9.3 Release of a Lot by a Vendor or his Agent without a written order from TATTERSALLS shall not be deemed release by TATTERSALLS within the meaning of this Condition.

9.4 Settlement will only be made against a written application by or on behalf of the Vendor which has been accepted by TATTERSALLS.

9.5 TATTERSALLS shall be under no obligation to place the proceeds of sale on deposit pending payment out by them.

9.6 All payments are made and/or sent at the risk of the Vendor and, if different, the payee.

9.7 Where pursuant to this Condition TATTERSALLS has paid to the Vendor or credited his account with the net proceeds of sale of a Lot then the Vendor shall, if so required by TATTERSALLS, assign to it by way of legal assignment (or by any other mode of assignment required by TATTERSALLS) all and any of his rights against the Purchaser arising out of the contract of sale of the Lot and to the extent that property in the Lot has been retained by the Vendor, that property. Save as provided aforesaid the Vendor shall not assign any rights or obligations under his agreement with TATTERSALLS.

9.8 Where the Purchaser is disputing his obligation to pay for the Lot the Vendor shall, save where TATTERSALLS has exercised its right under Condition 9.7 above, if so required by TATTERSALLS, repay to TATTERSALLS on demand any payment made by TATTERSALLS to the Vendor in respect of the net proceeds of sale of the Lot.

9.9 Where the Purchaser is disputing his obligation to pay for a Lot the Vendor shall, if so required by TATTERSALLS, promptly provide and use best endeavours to procure that its servants and agents promptly provide to TATTERSALLS and its advisers such full co-operation, documentation and assistance as TATTERSALLS may request in order to investigate the subject matter of the dispute.

9.10 Where there has been any change in the ownership of a Lot entered for sale with TATTERSALLS between the date of the sales entry form and the time at which the Lot is due to be put up for auction the Vendor shall forthwith notify

TATTERSALLS of this fact in writing and of the amount of the sale price and use his best endeavours to ensure that the new owner(s) forthwith notify TATTERSALLS whether it is his wish to proceed with a sale of the Lot at the auction for which it is entered and, if so, to execute and deliver to TATTERSALLS a properly completed sales entry form.

9.11 The Vendor shall indemnify TATTERSALLS in respect of any loss suffered or costs, disbursements or expenses incurred bona fide by TATTERSALLS by reason of bringing or defending any proceedings (including but not limited to any adverse costs awarded against TATTERSALLS) or otherwise howsoever which arise whether directly or indirectly from any act or omission by the Vendor in connection with the sale of a Lot whether or not such act or omission be a breach of his contract with TATTERSALLS.

9.12 The Vendor authorises Tattersalls to disclose the identity and ownership interest of the person or persons stated on the sales entry form to be the owner or owners of the Lot ("Ownership Information") to any person at Tattersalls absolute discretion. If a male horse is not properly described he is returnable in accordance with this and Condition 11 hereof provided always that the Purchaser may only return the Lot if:

10.3 A Filly should only be so described up to and including the age of four years. Thereafter she must be described as a Mare. If at any time before reaching five years she is covered she must subsequently at all times be described as a Mare. If a Filly or a Mare is not properly described she is returnable in accordance with Condition 11 hereof. For all Mares there must be given particulars of all coverings. If a Mare has subsequent to any such covering slipped foal the fact must be stated and if not stated or the particulars of coverings are not given as required the Mare is returnable in accordance with Condition 11 hereof.

10.4 Any Mare described as "believed in foal" must have a Covering Certificate "lodged with TATTERSALLS". A Covering Certificate is only to be regarded as having been "lodged with TATTERSALLS" where, prior to the time of sale of the Mare, either the Covering Certificate has been deposited at TATTERSALLS Office in Park Paddocks or TATTERSALLS has been notified in writing by a Stud Book Authority approved by the International Stud Book Committee that the covering has been registered with it and is recorded electronically. Where, in respect of a Mare described as "believed in foal" a Covering Certificate has not been "lodged with TATTERSALLS" as aforesaid, such Mare is returnable in accordance with this and Condition 11 unless:

(a) an announcement is made from the Rostrum that the Covering Certificate has not been lodged, and

(b) the Covering Certificate or written notification as aforesaid from a Stud Book Authority approved by the International Stud Book Committee is received by TATTERSALLS by 5.00 p.m. on the 14th day after the day on which the Lot was sold. (a) TATTERSALLS has received a certificate in writing from a Veterinary Surgeon of the Purchaser's choice before 5.00 p.m. on the second day after the day on which the Mare was sold alleging the Mare to be barren at the time of sale.
(b) The Mare has not been removed from the Premises. For the avoidance of doubt removal of a Lot from Park Paddocks (including Terrace House Yard) to any outside standing by TATTERSALLS staff shall not constitute removal from the Premises for the purpose of these Conditions of Sale.
10.6 Any Lot
(a)which is a Wind-sucker (i.e. gulps or swallows air whether in association with grasping fixed objects with incisor teeth or not) is returnable in accordance with Condition 11 unless described without qualification as a Wind-sucker, Crib-biter or Cribber in which event the Lot is not returnable.
(b) which has been operated on for the correction of Wind-sucking as defined above, including Cribbiting, is returnable in accordance with Condition 11 unless so described.
(c) Crib-biters and Cribbers are not returnable unless the Crib-biting is associated with Wind-sucking in which case the Lot is returnable as a Wind-sucker unless it is described without qualification as a Wind-sucker, Crib-biter or Cribber.

In the case of a Horse in Training a Whistler and/or Roarer is a Lot which has Recurrent Laryngeal Neuropathy when examined with the endoscope to an extent which, when combined with the presence of a characteristic abnormal inspiratory sound when the Lot is actively exercised (ridden where possible), is likely to materially affect its suitability for racing. If described as a Whistler and/or Roarer or described as "heard to make a noise" without qualification the Lot may still be returned under sub-conditions 10.8 (b) or (c) if the terms of either of those sub-conditions are satisfied.
(b) which has been operated upon for the correction of Whistling and/or Roaring and/or Recurrent Laryngeal Neuropathy, is returnable in accordance with Conditions 11 and 12 unless so described and, if so described, the Lot is not returnable under either sub-condition 10.8 (a) or (b). Operations to resect the aryepiglottic folds or to treat the dorsal displacement of the soft palate, including the operations laryngeal tie forward, cautery of the soft palate, trimming of the soft palate and myectomy are not operations for the correction of Whistling and/or Roaring and/or Recurrent Laryngeal Neuropathy within the meaning of this sub-condition.

A Whistler and/ or Roarer is a Lot which has Recurrent Laryngeal Neuropathy when examined with the endoscope to an extent which, when combined with the presence of a characteristic abnormal inspiratory sound when the Lot is actively exercised, is likely to

materially affect its suitability for racing. If described as a Whistler and/or Roarer or described as "heard to make a noise" without qualification the Lot may still be returned under sub-conditions 10.9 (b) or (c) if the terms of either of those sub-conditions are satisfied.
(b) which has been operated upon for the correction of Whistling and/or Roaring and/or Recurrent Laryngeal Neuropathy, is returnable in accordance with Conditions 11 and 12 unless so described and, if so described, the Lot is not returnable under either sub-condition 10.9 (a) or (b). Operations to resect the aryepiglottic folds or to treat the dorsal displacement of the soft palate, including the operations laryngeal tie forward, cautery of the soft palate, trimming of the soft palate and myectomy are not operations for the correction of Whistling and/or Roaring and/or Recurrent Laryngeal Neuropathy within the meaning of this sub-condition.
(c) which has (i) branchial arch anomaly; or (ii) chondroma or severe arytenoid chondritis; or (iii) cleft palate; or (iv) permanent epiglottic entrapment; or (v) subepiglottic cyst(s) is returnable in accordance with Conditions 11 and 12 unless so described and, if so described, the Lot is not returnable under either sub-condition 10.9 (a) or (c).
Provided always that the Purchaser may only return the Lot if:
(1) It has not been removed from the Premises. For the avoidance of doubt removal of a Lot from Park Paddocks (including Terrace House Yard) to any outside standing by TATTERSALLS staff shall not constitute removal from the Premises for the purpose of these Conditions of Sale.
(2) TATTERSALLS has received a certificate in writing from a Veterinary Surgeon of the Purchaser's choice before 5.00 p.m. on the fourth day after the day on which the Lot was sold alleging that the Lot has been heard to make a characteristic abnormal inspiratory sound when actively exercised and has Recurrent Laryngeal Neuropathy when examined at rest with the endoscope to an extent which is likely to materially affect its suitability for racing or to have been operated upon for the correction of Whistling and/or Roaring and/or Recurrent Laryngeal Neuropathy or to be suffering from one of the conditions stated in sub-condition 10.9(c).
(3) TATTERSALLS has received a notice in writing from the Purchaser of his contention that the Lot is returnable under Condition 10.9 and stating which sub-condition is relied upon before 5.00 p.m. on the fourth day after the day on which the Lot was sold.

10.11 Save as aforesaid any material misdescription in the catalogue details of any Lot or in any information with regard thereto announced from the Auctioneer's Rostrum shall render the Lot returnable in accordance with Condition 11 hereof unless, in either case, corrected by announcement from the Auctioneer's Rostrum.

11. Lots Returned to TATTERSALLS
If the Purchaser of any Lot contends that it is returnable to the Vendor under Condition 10 the Lot must be returned to TATTERSALLS with a notice in writing of such contention and in the case of Lots returned to TATTERSALLS under Conditions 10.3, 10.6 and 10.8 with a Veterinary Certificate specifying the nature of the complaint and in the case of Lots returned to TATTERSALLS under Conditions 10.2, 10.4, 10.5, 10.7 and 10.9 as prescribed therein. Where certificates, notices in writing and/or any other documents are required to be received by TATTERSALLS under these Conditions of Sale, that requirement can only be satisfied by delivering them to TATTERSALLS at its Newmarket offices. Lots returned to TATTERSALLS under Condition 10 must be returned to Park Paddocks or any other premises designated by TATTERSALLS and the requisite notices/certificates be received by TATTERSALLS before 5.00 p.m. on the 7th day after the day on which the Lot was sold except for those returned to TATTERSALLS under Conditions 10.2, 10.4, 10.5, 10.7 and 10.9, which must be returned to TATTERSALLS as prescribed therein. However in the case of a return of a Lot to TATTERSALLS under Conditions 10.8 or 10.9 where TATTERSALLS receive a written notice from the Purchaser's Veterinary Surgeon stating that he is unable to give a certificate within the prescribed time on grounds connected with the health or characteristics of the Lot then TATTERSALLS may decide to extend the prescribed time for lodgement of the certificate and, for this purpose, may have regard to the opinion of any Veterinary Surgeon or Surgeons appointed by them. Failure to comply with the provisions of this Condition and Condition 10 shall be an absolute bar to any claim that the Lot is returnable and the Purchaser shall be bound to keep and pay the full amount of the purchase price for the Lot. Where the Purchaser has returned the Lot to TATTERSALLS in accordance with this Condition and Condition 10 and the Vendor does not accept that the Lot is returnable to him TATTERSALLS will decide the dispute under Condition 12.

12. Resolution Procedures
Any dispute arising under Conditions 10 and 11 shall be decided by TATTERSALLS in such manner and either without evidence or after hearing evidence of such nature and taken in such manner as TATTERSALLS shall think fit and

TATTERSALLS' decision shall be final and binding on both Vendor and Purchaser and TATTERSALLS shall not be responsible for any loss or expense incurred by any party to such dispute. The decision shall be given not later than 21 days from the date of the return of the Lot to TATTERSALLS unless TATTERSALLS is advised by the Veterinary Surgeon or Surgeons appointed by it that a longer period or a different method of testing be necessary due to the health or characteristics of the Lot. In determining whether any Lot is returnable as an habitual Weaver or an habitual Boxwalker under Condition 10.7 TATTERSALLS may have regard to the opinion of any Veterinary Surgeon or Surgeons appointed by it whose opinion shall be given after allowing the Lot to settle in its environment and have adequate exercise. In determining whether any Lot is returnable under Conditions 10.8 (a) and 10.9 (a) respectively TATTERSALLS will have regard to the opinion of a panel of up to 3 veterinary surgeons appointed by it whose opinion shall be given after actively exercising the Lot (a Horse in Training shall be ridden where possible) to hear whether it makes a characteristic abnormal inspiratory sound and examining the Lot at rest (or as otherwise required pursuant to Condition 12) with the endoscope to determine if in their reasonable opinion the Lot has Recurrent Laryngeal Neuropathy to an extent which, at the time of examination, taking into account the presence of any characteristic abnormal inspiratory sound and the examination with the endoscope, is likely to materially affect its suitability for racing as provided for in sub-conditions 10.8 (a) and 10.9 (a). In determining whether any Lot is returnable under Conditions 10.8 (b) or 10.9 (b) TATTERSALLS will have regard to the opinion of a panel of up to 3 veterinary surgeons appointed by it as to whether the Lot has been operated upon for the correction of Whistling and/or Roaring and/or Recurrent Laryngeal Neuropathy. In determining whether any Lot is returnable under Conditions 10.8 (c) or 10.9 (c) TATTERSALLS will have regard to the opinion of a panel of up to 3 veterinary surgeons appointed by it as to whether one of the conditions stated in Conditions 10.8 (c) or 10.9 (c) be present. If the said panel consists of 3 veterinary surgeons the opinion of the panel may be given by majority vote. Examination with an overground endoscope will only be undertaken where (i) the Lot is a Horse in Training and (ii) in the opinion of the said panel of veterinary surgeons its use is considered necessary to reach a decision as to the extent to which the Lot has Recurrent Laryngeal Neuropathy. A Lot shall only be returnable under Conditions 10.8 (a) or 10.9 (a) if both the characteristic abnormal inspiratory sound and Recurrent Laryngeal Neuropathy to an extent which, when combined with the presence of a characteristic abnormal inspiratory sound when the Lot is actively exercised, is likely to materially affect its suitability for racing as provided for in sub-conditions 10.8 (a) and 10.9 (a) are present. A Lot shall be returnable under Condition 10.8 (b) or 10.9 (b) if it has been operated upon for the correction of Whistling and/or Roaring and/or Recurrent Laryngeal Neuropathy. A Lot shall be returnable under Condition 10.8 (c) or 10.9 (c) if one of the conditions stated in Conditions 10.8 (c) or 10.9 (c) are present. 14 - 18. Purchasers

14 Purchasers are advised to inspect each Lot and to arrange for inspection of any materials or information deposited in the Repository relating thereto prior to purchase. Purchasers must ensure that the Vendor's approval is obtained before a veterinary inspection is made. All Lots are sold subject to TATTERSALLS' Conditions of Sale and are subject to any announcements that may be made from time to time from the Auctioneer's Rostrum and therefore it is the responsibility of all bidders to be in attendance at the commencement of the sale of a Lot to hear any such announcements Information appearing on notice and electronic boards in the Main Sales Office and the Sale Ring and anywhere else on TATTERSALLS Premises as defined in Condition of Sale 8.1 is for guidance purposes only and no liability shall attach to TATTERSALLS or the Vendor for any error in or omission from the information so provided. 15 Each Lot is sold as it stands and there is no term implied in any sale that any Lot is of satisfactory quality or is fit for training or any particular purpose.

16.1 The Vendor as defined in Condition 1.2 shall remain at all times the Vendor for the purpose of and within the meaning of these Conditions whether or not he was in fact the owner at the time of entry or if he was, notwithstanding any transfer of ownership prior to Fall of Hammer. Such transfer shall not by itself operate as the withdrawal or revocation of any authority to sell.

16.2 Where TATTERSALLS in its Sales catalogue make a statement as to the ownership of a Lot it does so in good faith and in accordance with the information provided in the sales entry form but it does not thereby make nor does it otherwise make any representation whatsoever, whether express or implied, as to the identity of the owner or owners of any Lot at the time of entry, time of sale or at any other time.

16.4 Consistently with and without prejudice to the foregoing in any case where TATTERSALLS is able to procure that title in the Lot passes to the Purchaser the fact, if it be the case, that as at the time of sale it did not have authority to sell shall not prevent TATTERSALLS being entitled to recover the full amount of the purchase price immediately in accordance with Condition 5.

17 An allegation by a Purchaser that a particular person, whether or not the owner of the Lot for the time being has taken part whether directly or indirectly in the bidding shall not prevent TATTERSALLS being entitled to recover the full amount of the purchase price immediately in accordance with Condition 5.

18 Further and without prejudice to any other provision of these Conditions TATTERSALLS makes no representation whatsoever, whether express or implied, about, with regard to or in connection with any Lot. A Purchaser must make his own enquiries and exercise his own judgement as to a Lot and its value and if a Purchaser purchases any Lot relying on any representation whether by or on behalf of the Vendor or otherwise howsoever he does so, as far as his contract with TATTERSALLS is concerned, entirely at his own risk and such representation and/or reliance shall not prevent TATTERSALLS being entitled to recover the full amount of the purchase price immediately in accordance with Condition 5.

Veterinary Surgeons will generally issue a 'Pre-bid Inspection Report' when performing such inspections. Purchasers should note that such pre-bid inspection of horses at auctions is necessarily and significantly limited. It is not equivalent to that of a standard equine purchase examination and therefore cannot afford the same degree of risk-protection to prospective Purchasers. Abnormalities that might have been discovered by a fuller examination may be undetected or underestimated because of the limited scope of the examination.

No-one may remove a sample of hair, blood or other testable material from any Lot while on Tattersalls premises (as defined in the Conditions of Sale) without written permission from the Vendor. If this permission is granted, Tattersalls must be notified in advance of such a sample being taken.

Tattersalls will be checking the identity of Lots entered for our sales, including those at outside standings, against official Identification Documents. This will take place in the days prior to the sale. This arrangement does not alter Vendors' and Purchasers' responsibilities under the Conditions of Sale and Tattersalls shall incur no liability or responsibility for any loss howsoever arising for any error or omission in respect of this identity check.

18. Documents
Documents will only be released either on the receipt of a written application or as a result of a personal application. Where documents are sent by post they are at the risk of the Purchaser.

19. Broodmares
19.1 Rhinopneumonitis (EHV-1)
The following notice is included at the request of the Thoroughbred Breeders' Association (TBA): Mares in late pregnancy which have come from a sale constitute a possible risk to the stud where the mare is sent, since from the fifth month of pregnancy onwards there is a possibility that abortion due to Rhinopneumonitis may occur. Attention is drawn to the recommendations from the TBA that mares from stud farms where Rhinopneumonitis/Virus Abortion has occurred during the previous season should be foaled in isolation. Details of vaccinations against Rhinopneumonitis can be found in the mare's passport and may viewed at the Bloodstock section in the Main Sales Office. Where a mare arrives at Park Paddocks but has not been vaccinated against Rhinopneumonitis she will be placed in isolation and sold in absentia.

19.2 Isolation of Broodmares
In accordance with TBA recommendations, all mares returning from the sales should be isolated from in-foal mares.

20. Value Added Tax ('VAT')
20.1 Lots for Export outside Great Britain and Northern Ireland
Where Lots are purchased for immediate export outside Great Britain and Northern Ireland the purchase may be zero-rated for VAT purposes provided that Tattersalls are supplied with a satisfactory proof of export from Great Britain and Northern Ireland by the Purchaser or his shipping agent. Similar arrangements are available in certain circumstances and subject to agreement on a Lot by Lot basis with HM Revenue & Customs where the Lot is not exported immediately. If there is likely to be any delay whatsoever in the exporting of a lot, the Purchaser is recommended to contact the Tattersalls Accounts department.

The Purchaser will be liable for import VAT in the country of arrival at the prevailing rate, however, if the Purchaser is VAT registered they may be able to use Postponed VAT Accounting to account for the VAT on their VAT return.

20.2 Lots to be exported to Northern Ireland
Where Lots are purchased for export to Northern Ireland VAT will be charged as indicated in the catalogue or announced from the Auctioneer's Rostrum. If the Purchaser is VAT registered they may be able to reclaim the VAT as input VAT, subject to the normal rules.

When a VAT registered business moves goods from Great Britain into Northern Ireland, import VAT will be due and the business will need to account for VAT on the movement.

20.3 Lots remaining in Great Britain
VAT will be charged as indicated in the catalogue or announced from the Auctioneer's Rostrum. The VAT Registration Scheme for Racehorse Owners in the UK allows owners to reclaim VAT on purchases where the horse remains in the UK. The Scheme also allows owners to reclaim VAT on training fees etc., where the horse is trained in the UK. Racehorse owners are urged to take full advantage of this scheme.

Breeders who are VAT registered can potentially recover VAT on all racing expenses. Anyone having any query on VAT is invited to contact a Tattersalls Accounts representative.

21. Payment for Purchases (Condition of Sale 5)
All Lots are sold for payment by cash, credit/debit card, or acceptable bankers draft (Condition 5.1).

Please note Tattersalls are no longer able to accept € 500 notes.
Ring prices are quoted in guineas. A guinea represents Sterling £1:05.

All invoices raised are in Sterling and all payments for purchases are due in Sterling. Prospective Purchasers may deposit funds with Tattersalls prior to a sale. If a Purchaser wishes to pay by any other method, arrangements must be agreed before bidding. Please complete a New Buyer Form and send this to Accounts at least 7 days before the sale. Please ask your bankers to forward a reference direct to Accounts as your application cannot be considered until this is received.

Please note all customers should contact the Tattersalls Accounts department prior to bidding in order to agree payment procedures.

Tattersalls' bankers are:
Lloyds Bank PLC,
Piccadilly Branch,
39 Piccadilly, London W1V 0AA
Sort Code: 30 00 08: Tattersalls Account No. 00575080;
IBAN number GB 64 LOYD 3000 0800 575080
BIC LOYDGB 21012 SWIFT CODE LOYDGB 2L

Overseas Purchasers funding their purchases from non-sterling sources may wish to consider covering forward their Sterling liabilities.

22. Purchasers Authorisation
This scheme is available for Purchasers who wish to appoint an agent to act for them or use Tattersalls Telephone Bidding facilities. Forms can be obtained by personal application only to Accounts. The scheme is subject to:
1. The Authorisation together with a payment reference, both completed and signed by the Principal, being lodged with Tattersalls by way of application at least 7 days before the sale.
2. No Authorisation is effective unless it has been approved in writing by Tattersalls who reserve the right to withhold acceptance without giving any reason. An agent may not bid and you may not submit telephone bids under this Authorisation until such written acceptance has been received.
3. Agents must notify Accounts of any purchases under an Authorisation immediately following purchase.

23. Private Sales
23.1 Contract
When Lots fail to sell in the ring, Private Sales may be registered with Tattersalls and will invoke the Conditions of Sale (save those highlighted on the Private Sale Agreement Form) unless otherwise agreed. Vendors and Purchasers wishing to register Private Sales with Tattersalls should contact the Accounts department. No statement, certificate, forecast or expression of opinion made by Tattersalls in respect of any Lot is or is deemed to be in any circumstances a representation, undertaking or warranty by Tattersalls and Tattersalls shall in no circumstances become liable to any person in respect thereof.

23.2 Auction Races
Under the Orders of the British Horseracing Authority, Lots sold or bought-in at public auction under the hammer qualify for these races but Lots which do not reach their reserve do not qualify.

24. Integrity of Bloodstock Sales - Bloodstock Industry Code of Practice
Tattersalls regards the integrity of its Sales as a matter of the utmost importance and has a zero tolerance policy regarding any breach of the Bloodstock Industry Code of Practice ("the Code") . In that regard and pursuant to Condition of Sale 2.8 all Sales participants (whether vendors, purchasers, agents or otherwise) are bound to comply with the Code. A copy of the Code is printed in this Sales catalogue and available for inspection on Tattersalls' website. All Sales participants are strongly advised to read the Code and to note the serious consequences for any failure to abide by the Code.

25. Overseas Owners' Premiums
A list of Lots in this catalogue which are qualifiable for Overseas Owners' Premiums can be viewed on request to a Tattersalls representative. In all instances, any queries regarding Owners' Premiums should be directed to the Vendor of the Lot and to the appropriate Stud Book Authority to ensure that the Lot meets the criteria required to retain the Premiums.

26. Registrations for Live Internet Bidding
Live Internet Bidding provides a way to submit live bids to the auctioneer via a bidding screen without the need to be on site. Prospective purchasers must register with Tattersalls at least 48 hours prior to the start of sale by selecting the following link https://www.tattersalls.com/livebidding. This application will then require authorisation from Tattersalls' Accounts Department prior to activation. All registrations and bids are subject to Tattersalls Live Internet Bidding Terms available to view on the Tattersalls website. Please note that you may only use the Live Internet Bidding facility if you are making a bid for purposes which relate to your trade, business, craft or profession. It is not available for use by consumers.

27. Bidding on behalf of others (Condition of Sale 5.4)
Prospective purchasers should note that if they are bidding on behalf of another person (their principal), they will become personally liable on the contract of sale and under the Conditions of Sale jointly and severally with that other person if their bid is accepted by the auctioneer (unless there is a Purchasers Authorisation in force, for which see paragraph 22 of this Guidance). They should note that (unless there is such Purchasers Authorisation in force) they will incur such personal joint and several liability where they bid on behalf of a company or other entity even if they are a director, officer or employee of that company or entity or otherwise connected with it.

Credit/Debit Card purchases

Payment for horse purchases may be made by debit or credit card, subject to the card issuer's approval. Cards displaying VISA or MasterCard will normally be accepted. Please ask at the accounts desk if you have any other card.

If you intend to utilise this method of payment, please advise your credit/debit card provider of your intentions prior to your arrival at the Sales. This should reduce the time taken by the credit/debit card provider to authorise the transaction when it is processed. Alternatively, pre-authorisation can be obtained prior to making a purchase. For further information on this procedure, please speak to a Tattersalls representative at the Accounts desk.

From February 2006, in accordance with new UK banking requirements, all credit and debit card transactions will have to be authorised by the cardholder using their PIN number. Please ensure that you have memorised your PIN number.

Please note Tattersalls are no longer able to accept € 500 notes.

BHA Equine Anti-doping Rules (EADR)

Permanent Import requirements are only relevant to those horses that remain in Great Britain (GB) and are intended for training and racing

Key requirements:

1. Export Certificate (all horses) must be filed with the General Stud Book within 90 days of arrival;
2. Whereabouts information must be filed within seven Business Days of the horse's arrival in GB, except where waived:
   - The horse has come from a country with an equivalent Testing policy* and
   - The horse was present there for 12 consecutive months immediately prior to importation, or;
   - The Permanent Import test is conducted at fall of the hammer.

   Any change in circumstances (such as change of location) must be updated as soon as possible.
3. Permanent Import test is required (except as waived above, point 2):
   - Testing may be conducted unannounced;
   - Sample is collected at the Responsible Person's expense;
   - Testing may be requested by the Purchaser at fall of the hammer, by signing to this effect on the form of Purchase Confirmation supplied by Tattersalls, where the list (available in the Main Sales Office) indicates the testing requirement has not yet been fulfilled.

To note:

- Broodmares, or other horses, permanently retired from racing are not subject to EADR requirements, provided the BHA is notified of the retirement via anti-doping@britishhorseracing.com;
- Tattersalls 'BHA Badged' Anabolic Steroid Test DOES NOT replace the requirement for a Permanent Import test (which includes other Prohibited at all times substances);
- If the Permanent Import test is required, and the Purchaser doesn't request this at fall of the hammer, they must comply with the requirements set out as above post-Sale;
- Purchasers should confirm if their intended purchase has complied with EADR requirements, by checking the list in the Main Sales Office for the status of export certificate and testing requirements;
- A guide to the BHA Equine Anti-Doping Rules is available for download from the BHA website (www.britishhorseracing.com);
- Failure to comply with the EADRs may result in disciplinary action being taken by the BHA, including the horse being prevented from running in Britain;
- If you have any questions about the EADRs please contact anti-doping@britishhorseracing.com.

Neither Tattersalls nor the BHA take any responsibility for a horse not being permitted to remain in GB to train and race where a Purchaser has not taken the necessary steps to ensure they comply with the BHA's EADR requirements.

*For the purpose of the Rules countries currently with equivalent testing policy are: France, Ireland, Germany, Sweden, Norway and Hong Kong.

The Bloodstock Industry Code of Practice

Since 2009, when the current Bloodstock Industry Code of Practice came into effect, the Bribery Act 2010 has been passed into law in the United Kingdom. The Bribery Act made bribery a criminal offence, punishable with up to 10 years' imprisonment. This is reflected in this new Code, which is designed to prevent serious malpractice in the bloodstock sales industry, including by banning: (a) bribery (whether described as "Luck Money" or not); (b) acting for both sides on a Sale without prior informed consent; and (c) the practice of collusive "bidding up". Such practices have no place in the bloodstock industry.

To assist with this stated objective and to encourage Participants to come forward with concerns over an alleged breach of the Code, the Bloodstock Industry Forum has established a facility for a Participant with such concerns to obtain free, initial and independent legal advice from a Panel Lawyer as to any criminal, civil and regulatory remedies for breach of this Code. The Panel Lawyer will owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by the Bloodstock Industry Forum. In addition to breach of this Code, misconduct relating to Sales may lead to civil and criminal liability. For example, where a bribe is paid to an Agent, this may lead to civil liability to pay the Principal the amount of the bribe, on the part of either of (or both) the paying and receiving party, as well as to the commission of a criminal offence under the Bribery Act 2010 (applicable in the United Kingdom) or the Criminal Justice (Corruption Offences) Act 2018 (applicable in the Republic of Ireland).

This Code has been drawn up by and with the full support of all members of the Bloodstock Industry Forum namely: The British Horseracing Authority, the Irish Horseracing Regulatory Board, Horse Racing Ireland, the Irish Thoroughbred Breeders Association, the Breeze-Up Consignors Association, the Federation of Bloodstock Agents, the National Trainers Federation, the Racehorse Owners Association, the Thoroughbred Breeders Association and Goffs.

This Code will be reviewed annually to ensure that it remains robust and fit for purpose.

THE NEW CODE: RULES

DEFINITIONS

Agent: Any person or entity acting, whether in a formal professional capacity or not, on behalf of another (their "**Principal**") as regards a Sale. For the avoidance of doubt, the Agent need not have been formally appointed, or have a written contract, or be a bloodstock professional, and may or may not be acting for reward from the Principal.

Authority: means the Horseracing Authority where the sale or leasing of bloodstock, stallion shares and nominations, whether by private transaction or public auction, takes place.

Panel Lawyer: A lawyer appointed by the Bloodstock Industry Forum who shall owe his duties, including his duty of confidence, exclusively to the Participant and who shall carry out an initial investigation and provide initial legal advice limited to 15 hours of legal services into the alleged breach of the Code. A list of Panel Lawyers is published at the end of this Code.

Participant: Any person or entity participating in a Sale, including, without limitation, vendors, purchasers, breeders, consignors, trainers, syndicate managers, bloodstock agents and any person acting as Agent of any party to a Sale. Any third party offering, making or assisting in the provision of an undisclosed financial advantage, contrary to these Rules shall be considered a Participant in the relevant Sale.

Principal: Any person or entity on whose behalf an Agent acts as regards a Sale.

Prior Informed Consent: Consent granted by a Principal to an Agent for the Agent to act in a manner either previously agreed in writing between them or which would otherwise be in breach of his duty or these Rules. Such consent must be evidenced in writing and explicit. Consent is only Prior Informed Consent if the Principal is aware at the time of the consent of the full circumstances relating to the transaction or arrangement in question and the full nature of any interest of the Agent.

Sale: The sale or leasing of bloodstock, stallion shares and nominations, whether by private transaction or public auction, taking place within Britain and Ireland.

RULE 1:
Application of the Rules
(A) This Code applies to all Sales taking place within Britain and Ireland after 16 August 2021.
(B) The Code is of particular application to Agents. However, the Code is not confined to Agents, but applies to all Participants at Sales.

RULE 2:
The General Duty: Participants shall act honestly and with integrity in relation to Sales.

RULE 3:
Bribery, secret profits, and other payments:
(A) A Participant shall not solicit nor receive any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.
(B) No Participant in a Sale shall offer or grant or provide any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.
(C) Agents shall not profit from their position as Agents without the Prior Informed Consent of their Principal, provided always that where it is not possible to obtain Prior Informed Consent in advance, consent shall be deemed to be prior if sought and obtained as soon as reasonably practical.

RULE 4:
Authority and information provision
(A) An Agent shall act in accordance with the instructions of their Principal and within their authority.
(B) An Agent shall inform their Principal promptly and in full of any offers received for their Principal's horse(s).
(C) An Agent for reward shall make and keep correct records and accounts of their dealings on behalf of the Principals and shall produce on request to the Principal (or other proper person appointed by the Principal) all books, records, and documents (electronic or hard copy, including emails, texts and other social media communications) under their control relating to the affairs of their Principal.

RULE 5:
Agents shall act in the best interests of their Principal in relation to Sales.

RULE 6:
Agents shall not put themselves or be in a position where their personal interests conflict or may conflict with those of their Principal, without Prior Informed Consent. Such a conflict arises, amongst other things, in acting for more than one party to a Sale.

RULE 7
Market Abuse at Public Auction

(A) Collusive Bidding-Up:
Participants shall not enter into any agreement, understanding or arrangement with any other person or entity with the intention of directly or indirectly increasing the price of a horse in a public Sale, save that a vendor is entitled to place a reserve and may appoint one person to bid on their own behalf (or where a horse is stated to be the property of a partnership any partner may appoint one person to bid on their behalf) where and as permitted under the rules of the auction in question.

Induced Purchases at Public Auction:

(B) Subject to Rule 7 (D) a Participant shall not, prior to a horse's sale at public auction, either directly or indirectly solicit, demand or receive any financial advantage from the vendor as an inducement or reward for bidding on or buying the horse.

(C) Subject to Rule 7 (D) a vendor shall not, prior to their horse's sale at public auction, either directly or indirectly offer, grant or provide any financial advantage as an inducement or reward for bidding on or buying their horse, unless the same advantage is available to the whole market.

(D) A Sales House initiative openly published in advance of a Sale by public auction whereby a defined agents commission will be paid to a successful purchaser, where the purchaser is a recognised bloodstock agent and/or licensed trainer, is not considered to be and shall not be a breach of Rules 7 (B) and 7 (C).

RULE 8:
Assistance:
A Participant assisting another in a course of conduct, knowing that the course of conduct is breaching or likely to breach any rule of this Code or deliberately closing their eyes to that possibility, shall be treated as if they too acted in breach of that rule.

ENFORCEMENT AND SANCTION UNDER THE CODE OF PRACTICE

Any Participant with concerns over an alleged breach of the Code is encouraged to come forward and use the facility established by the Bloodstock Industry Forum to obtain free, independent and confidential initial legal advice from a Panel Lawyer as to any criminal, civil and regulatory remedies for breach of this Code. The Panel Lawyers owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by Bloodstock Industry Forum.

The British Horseracing Authority adopts and the Irish Horseracing Regulatory Board supports the Bloodstock Industry Forum's Code of Practice. Any person found by the BHA to be in breach of the Code whether bound by the Rules of Racing or not, may be banned in Britain from racecourses and other licensed premises and banned also from conducting business with licensed individuals. The IHRB will have due regard to a breach of the Code when exercising their powers over individuals licensed by them or who seek to be licensed by them. Additionally, Goffs fully supports the Bloodstock Industry Forum's Code of Practice. To give effect to its spirit and intent and to prevent those breaching the Code from participating in their sales, Tattersalls and Goffs have amended their terms and conditions of business to establish a clear right to exclude any person or entity from participating in their sales in both Britain and Ireland (whether as vendor, purchaser, agent or otherwise) where they or any person or entity acting on their behalf have been found guilty of a criminal offence appearing to them to involve a breach of the Code, or who has been found liable in High Court or similar civil proceedings for conduct appearing to them to involve a breach of the Code (whether such criminal or civil proceedings take place in the United Kingdom, the Republic Ireland or elsewhere) or who has been sanctioned by the British Horseracing Authority for breach of the Code.

EXPLANATORY NOTES AND EXAMPLES:

INTRODUCTION

The individual Rules are set out below with Explanatory Notes. These are intended to assist Participants of every type, from professional Agents, to trainers, to novice purchasers of bloodstock, to understand the meaning of the relevant Rule, giving practical examples of the type of conduct which will likely amount to a breach of the Code where appropriate.

In order to ensure that Participants are aware of the full significance and potential consequences of any improper practices, and so that the victims of such improper practices are aware of their potential remedies and rights arising from such improper actions, the Explanatory Notes also summarise at the end the potential civil or criminal consequences of such acts.

However, nothing in the Explanatory Notes should be taken as advice as to the remedies and rights of individuals as regards the civil law or criminal consequences of particular acts. Participants who have concerns over an alleged breach of the Code should take their own legal advice as to any criminal, civil and regulatory remedies and in the first instance are encouraged to take advantage of the facility established by the Bloodstock Industry Forum to obtain free initial and independent legal advice from a Panel Lawyer. The

Panel Lawyer will owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by the Bloodstock Industry Forum. The intention of the Civil and Criminal section below is to point to potential further consequences of particular acts, which may also be breaches of this Code, so as to reinforce the purpose of the Code in preventing improper practices.

RULE 1:
Application of the Rules
(A) This Code applies to all Sales within Britain and Ireland after 16 August 2021.
(B) The Code is of particular application to Agents. However, the Code is not confined to Agents, but applies to all Participants at Sales.

EXPLANATORY NOTE:
The Rules apply regardless of whether the relevant **Participant** is a citizen of Britain or Ireland, or present in Britain or Ireland. The only relevant requirement is that the **Sale** (public or private) should take place within Britain or Ireland and after the 16th August 2021. For example, an individual resident outside and physically absent from Britain or Ireland at the time of the Sale will still be subject to this Code as regards a Sale if they are a Participant in that Sale.

Examples of those acting as Agents include: bloodstock agents, trainers and racing managers purchasing on behalf of clients, syndicate managers purchasing on behalf of a syndicate, an individual purchasing on behalf of a family member or friend. The issue is the capacity in which the person is acting on the specific Sale, not their title or customary role. A person normally acting as a bloodstock agent, will not be acting as an Agent when buying on their own account, but will be when buying for another person.

Although centrally concerned with abuses by those acting as Agents, the Code applies to **all** Participants. For example, Rule 3 makes it a breach of a code to **offer or receive** improper financial advantage (colloquially, a bribe), so that both the party receiving the bribe (often a purchaser's Agent) **and** the party paying the bribe (often a vendor or their agent), will be in breach of the Code (and potentially liable to civil and criminal consequences).

RULE 2:
The General Duty: Participants shall act honestly and with integrity in relation to Sales.

EXPLANATORY NOTE:
This General Duty to act honestly and with integrity is an overall statement of the aims and purposes of the Code. There is no special meaning to the terms "honestly" and "with integrity", which are ordinary words. It should usually be obvious to any Participant whether a course of action is in compliance with the General Duty. If they have any doubts, good sense suggests that the Participant should not pursue the course of conduct in question, or only proceed having taken professional advice. The General Duty also permits disciplinary action as regards misconduct not foreseen and specifically catered for in specific Rules.

RULE 3:
Bribery, secret profits, and other payments:
(A) A Participant shall not solicit nor receive any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.

(B) No Participant in a Sale shall offer or grant or provide any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.

(C) Agents shall not profit from their position as Agents without the Prior Informed Consent of their Principal provided always that, where it is not possible to obtain Prior Informed Consent in advance, consent shall be deemed to be prior if sought and obtained as soon as reasonably practicable.

EXPLANATORY NOTE:
Bribery, particularly of Agents, is a central concern to which the Code is directed. Participants should be aware that it is not only the Agent, receiving a bribe or secret profit who is at serious fault: those offering or paying bribes are equally responsible.

Participants should be clear that there can generally be no legitimate reason for an Agent of the purchaser to be rewarded **in any way** by the vendor and parties related to the vendor, and that the Agent of the purchaser should generally only be rewarded by their Principal, the purchaser.

This is so whether or not the payments are described as "Luck Money". Participants should be aware that such terminology and historical practices do not in any way alter the fact that payments of undisclosed/improper inducements are not permitted.

Where any gift (even a modest one) is received by an Agent on an unsolicited basis, the Agent must still seek consent (and obtain it) as soon as reasonably practicable after receiving it, if they are properly to retain the gift. If, however, the Principal's consent is **not** forthcoming, the Agent cannot properly retain the gift and should return it.

Financial benefits need not be direct and/or of cash. Payments in kind suffice, a watch or other valuable item, for example. The benefit need not be direct, for example payments to the order of the Agent (to extinguish debts, and/or to family).
It is irrelevant whether or not the purchaser has suffered a loss (i.e. that they may have paid a fair price at public auction, for example). An attempted bribe, even if refused, and/or even if it had no effect on the receiving party, is still a bribe. (As explained below, the parties to a bribe, both bribing party and receiving party, may be liable to account to the other party, usually the purchasing Principal, for the amount of the bribe. Those assisting such activity may also be liable for any losses.)

Examples:
An Agent for the purchaser seeks and receives a payment or promise of a payment from the vendor of a horse in order to buy that horse, which is **not** disclosed to the Agent's principal. The Agent will have received a bribe and/or secret profit and be in breach of Rule 3A and 3C. The vendor will have bribed the Agent and be in breach of Rule 3B. The vendor and the Agent may both be liable to civil and criminal consequences. This applies where the Agent is receiving a share or cut relating to collusive bidding-up where this has been pre-agreed: see Rule 7 and the example there.

A trainer acting for a purchaser, whether an existing client or not, as regards a sale, is in the same position as any other Agent. However, the fact that they may profit from the sale indirectly through the payment of fees when the horse is trained by them after purchase is not an illegitimate profit, since it will be known to the purchaser.

A trainer advising a purchaser and accepting money to influence the purchase will be taking a bribe. The party offering and the trainer will both be in breach.

Where a trainer or racing or syndicate manager appointed by a purchaser seeks to share in or does share in any commission otherwise payable by the purchaser to his bloodstock agent, then the trainer, racing or syndicate manager must obtain the Prior Informed Consent of their Principal to any such arrangement.

An Agent seeks "Luck Money" from the vendor as regards a sale, whether before or after sale, which is **not** disclosed to the Agent's Principal. This will be a breach by the Agent in seeking such a reward and there may be civil and criminal consequences for both. Paying it would put the vendor in breach and there may be civil and criminal consequences. The fact that the term "Luck Money" is used makes no difference.

RULE 4:
Authority and information provision

(A) An Agent shall act in accordance with the instructions of their Principal and within their authority.

(B) An Agent shall inform their Principal promptly and in full of any offers received for their Principal's horse(s).

(C) An Agent for reward shall make and keep correct records and accounts of their dealings on behalf of their Principals and shall produce on request to the Principal (or other proper person appointed by the Principal) all books, records, and documents (electronic or hard copy, including emails, texts and other social media communications) under their control relating to the affairs of their Principal.

EXPLANATORY NOTE:
Agents are obliged to act within the scope of their authority. In particular, they should follow any instructions of their Principal. Agents also have a duty to report to their Principal on matters of relevance, offers to purchase being of particularly obvious significance.

Agents have a general legal duty to keep proper records of their dealings on behalf of their Principals and, if requested, to produce such records to the Principal or, for example, their lawyers, all documents relating to the affairs of the Principal. Such is, in any event, obvious good practice.

RULE 5:
Agents shall act in the best interests of their Principal in relation to Sales.

EXPLANATORY NOTE:
Agents acting for others (Principals) at Sales are subject to certain general principles of law, sometimes referred to as "fiduciary duties", of which this is a fundamental one. This is sometimes considered part of a duty of "loyalty". Some of the other Rules below as regards Agents are aspects of this fundamental principle. This Rule applies whatever the type of agency. It makes no difference if the Agent is retained on a professional basis, or acting for free, is acting on a long-term basis, or on a one-off basis. There need be no written contract, or express agreement, that such a term applies, or even a contract.

Examples:
Agents will normally have little difficulty in knowing whether or not they are acting in the interests of their Principal. For example:

It is obviously not in the interests of a purchasing Principal for the Agent to cause the Principal to buy a horse for more than it is truly worth.

It is not acting in the best interests of the Principal for an Agent to spread information against the Principal's interest.

It is not acting in the best interests of the Principal for an Agent only to view horses or to recommend horses to their Principal because of some collateral advantage to the Agent (such as a bribe).

It is not in the best interests of the Principal for the Agent to disclose their Principal's budget for a purchase to a vendor with a view to manipulating the price of a sale, or for reward.

RULE 6:
Agents shall not put themselves or be in a position where their personal interests conflict or may conflict with those of their Principal, without Prior Informed Consent. Such a conflict arises, amongst other things, in acting for more than one party to a Sale.

EXPLANATORY NOTE:
The Agent cannot be in a position where their own interests do, or **may**, conflict with those of their Principal, whether or not the duties actually conflict.

An Agent cannot act for both the buyer and seller in a Sale unless (both the) Principals (but particularly the purchaser) are fully aware of, and consent to, the fact that the Agent is acting for both parties. Purchasing Principals in general would have no reason to approve such a conflict if known.

An Agent cannot act for more than one purchasing principal as regards the same horse without their being a conflict, such that they need the Prior Informed Consent of **each** principal to act for them on a particular sale (or to any alternative arrangements).

It does not matter that the Agent is not, in fact influenced by the conflict.

It does not matter that the Principal suffers no loss as a result of the Agent's conflict.

The potential conflict may extend to indirect and/non-financial conflicts, for example where the vendor is a close relative of the purchaser's Agent.

Prior Informed Consent is referred to in the Definitions Section. Agents should disclose any circumstance material to the consideration of whether or not to give consent, and the Principal should be made fully aware of the nature of the conflict or potential conflict. The consent needs to be given **prior** to the purchase. Good sense suggests that written evidence of Prior Informed Consent to significant conflicts should be obtained.

EXAMPLES:
An Agent acting for a purchaser is also acting as Agent for the vendor, without disclosing this to the purchaser. The Agent is in a position of conflict and in breach of this rule and there may be civil and criminal consequences.

An Agent has a small share in a syndicate owning a horse, which their Principal wishes to purchase. The Agent must obtain the Prior Informed Consent of the purchaser to be able to act on the sale. This is so regardless of whether the Agent is in any way affected by the small interest, and would have acted in exactly the same way anyway. The concern is that the Agent **may** be more likely to influence the Principal to buy that horse, perhaps at a higher price. Nor is it an answer that the Principal did not actually overpay (for example that the purchase was via public auction).

A trainer hopes to train a horse for the purchasing Principal after purchase and acts as Agent for the purchase of the horse. This normally should present no difficulty, since the interests do not necessarily conflict and the Principal is well aware that the trainer is a trainer and might hope to train the horse. However, if the trainer causes the purchaser to overpay so as to increase his fees, or for other financial benefit, they have acted for their own interests against those of the Principal (see Rule 5).

RULE 7
Market Abuse at Auction

(A) Collusive Bidding Up:
Participants shall not enter into any agreement, understanding or arrangement with any other person or entity with the intention of directly or indirectly increasing the price of a horse in a public Sale, save that a vendor is entitled to place a reserve and may appoint one person to bid on their own behalf (or where a horse is stated to be the property of a partnership any partner may appoint one person to bid on their own behalf) where and as permitted under the rules of the auction in question.

Induced Purchases at Public Auction:

(B) Subject to Rule 7 (D) a Participant shall not, prior to a horse's sale at public auction, either directly or indirectly solicit, demand or receive any financial advantage from the vendor as an inducement or reward for bidding on or buying the horse.

(C) Subject to Rule 7 (D) a vendor shall not, prior to their horse's sale at public auction, either directly or indirectly offer, grant or provide any financial advantage as an inducement or reward for bidding on or buying their horse, unless the same advantage is available to the whole market.

(D) A Sales House initiative openly published in advance of a Sale by public auction whereby a defined agents commission will be paid to a successful purchaser, where the purchaser is a recognised bloodstock agent and/or licensed trainer, is not considered to be and shall not be a breach of Rules 7 (B) and 7 (C).

EXPLANATORY NOTES:
Rule A: Collusive Bidding Up, i.e. the collusive making of bids to increase the price of horse in a public auction, is a serious abuse of the market. This is so regardless of whether or not the collusion also involves the payment of a bribe.

Rules B and C: address market abuse through inducements required by/offered to those intending to purchase horses at public auction. Such "inducements", in particular the payment of so called "Luck Money", are open to abuse and create an un-level playing field at public auction.

There need be no formal agreement: any arrangement or understanding will suffice. A promise to pay is sufficient. An indirect financial advantage is sufficient, for example an understanding to return the favour at a later date.

Examples: Collusive Bidding-Up
A vendor reaches an understanding with more than one other person that the others should bid for the vendor's horse in a public auction in order to increase the price, without any intention to buy. All parties to this understanding are in breach of this Rule.

As for the above example, but this involves the Agent of a purchaser. The Agent tells the vendor the Principal's budget, the parties bid up the horse to that level or close to it. The parties split the proceeds, perhaps the price above the reserve. All parties are in breach of this Rule. They have also breached Rule 3 as to bribery and there may be civil and criminal consequences.

Examples: Induced purchases at Public Auction (Rules 7 B and 7 C)

Prior to an auction sale, Purchaser A agrees with a vendor that the purchaser will bid on the vendor's horse if the vendor agrees to pay Purchaser A a percentage of the sale price if Purchaser A buys the horse. The effect is to give the Buyer Purchaser A a subsidy in bidding on the horse (and a percentage reduction in price), unknown to the market. Competing Purchaser B, not party to such an agreement and not knowing of it, may lose the purchase as a result of being outbid in light of the subsidy or may have to pay more to buy the horse than they would otherwise have paid. In short, there is no level playing field. The same is unaffected by describing the payment as "luck money".

The same scenario as above, but Purchaser A, or an agent acting for Purchaser A, instead of seeking a percentage payment for Purchaser A, agrees with the vendor before the Sale at Auction that, if Purchaser A purchases, the vendor will pay Purchaser A's agent's or other fees. The effect is the same: Purchaser A has an unfair advantage over other purchasers who do not have such an arrangement.

A vendor shall not offer an inducement to purchase their horse unless the same inducement is offered to the whole market in which event the vendor must take all reasonable steps to make the inducement (for example, a discount on the price) available to the whole market prior to the sale.

For the avoidance of doubt an agreement made between vendor and prospective purchaser prior to a horse's sale at public auction whereby the vendor agrees to retain a percentage ownership interest in the horse in the event that the horse is purchased by that prospective purchaser, such that the purchase price payable by the purchaser is reduced by the commensurate percentage, is not considered to be and shall not be a breach of Rules 7(B) and 7(C).

RULE 8:
Assistance:

A Participant assisting another in a course of conduct, knowing that the course of conduct is breaching or likely to breach any Rule of this Code or deliberately closing their eyes to that possibility, shall be treated as if they too acted in breach of that rule.

EXPLANATORY NOTES:
Assisting a breach is unacceptable conduct, like aiding and abetting in the criminal context.

ENFORCEMENT AND SANCTIONS UNDER THE CODE OF PRACTICE
Any Participant with concerns over an alleged breach of the Code is encouraged to come forward and use the facility established by the Bloodstock Industry Forum to obtain free, independent and confidential initial legal advice from a Panel Lawyer as to any criminal, civil and regulatory remedies for breach of this Code. The Panel Lawyers owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by Bloodstock Industry Forum.

The British Horseracing Authority adopts and the Irish Horseracing Regulatory Board supports the Bloodstock Industry Forum's Code of Practice. Any person found by the BHA to be in breach of the Code whether bound by the Rules of Racing or not, may be banned in Britain from racecourses and other licensed premises and banned also from conducting business with licensed individuals. The IHRB will have due regard to a breach of the Code when exercising their powers over individuals licensed by them or who seek to be licensed by them. Additionally, Goffs fully supports the Bloodstock Industry Forum's Code of Practice. To give effect to its spirit and intent and to prevent those breaching the Code from participating in their sales, Tattersalls and Goffs have amended their terms and conditions of business to establish a clear right to exclude any person or entity from participating in their sales in both Britain and Ireland (whether as vendor, purchaser, agent or otherwise) where they or any person or entity acting on their behalf have been found guilty of a criminal offence appearing to them to involve a breach of the Code, or who has been found liable in High Court or similar civil proceedings for conduct appearing to them to involve a breach of the Code (whether such criminal or civil proceedings take place in the United Kingdom, the Republic Ireland or elsewhere) or who has been sanctioned by the British Horseracing Authority for breach of the Code.

CIVIL LIABILITIES AND CRIMINAL OFFENCES ARISING FROM MISCONDUCT

Civil Liabilities

Participants should be aware of the potential financial consequences of misconduct of the type against which this Code is directed. In simple terms, Agents receiving bribes, Luck Money or rewards beyond what their Principal has agreed to pay them, may well be liable to pay over that money to their Principal. Those making the improper payments may also be liable for the amount of the payment. In both cases, this is regardless of whether the Principal can show they have suffered any loss.

The following example addresses the example of bribery of an Agent and explains the potential civil liabilities. The example assumes the issues can be proved to the relevant standards, such as dishonesty, where required.

An Agent, with the assistance of a Trainer who introduces the parties and attends the meetings, seeks and obtains a bribe from a Vendor of a horse to purchase the horse on behalf of the Principal at an inflated price.

The Agent will be liable for the Principal's losses as regards the purchase, including any over-value.

The Agent will be liable to account to (i.e. pay, in simple terms) the Principal the amount of the bribe, regardless of whether or not the Principal can prove a loss.

The Trainer will be liable for dishonest assistance and so liable to compensate the Principal for any losses, jointly with the Agent. If they have received part of the bribe or the proceeds of it, or other financial benefit, they may be liable to account for this also (whether or not the Principal can show a loss).

The Vendor will be liable for losses suffered by the Principal. Alternatively, the Vendor will be liable **for the amount of the bribe in question**, whether or not the Principal has suffered any loss. The payment of a bribe will likely also permit the relevant contract to be unwound, if a private sale.

It is **not** necessary to prove against the Vendor any dishonesty, intent to corrupt or actual corruption of the Agent. The Vendor may also be liable for the amount of the bribe even if this was only promised, but not paid.

Third parties knowingly receiving money improperly paid in breach of duty may be liable to the Principal in the amount received, e.g. if the Agent passed some of the bribe money to an employee. Those dealing with monies which are the proceeds of crime, which would include a bribe falling within the Bribery Act, see below, as the example might well, would also be potentially committing offences under the Proceeds of Crime Act: see below.

Criminal Offences

The following are potential criminal offences which may be committed as regards the types of misconduct against which this Code is directed.

A. England & Wales[5]

Fraud Offences

1. Where an agent seeks to make a gain from either the purchaser or the vendor, it may be a criminal offence under the Fraud Act 2006 s. 1(2) if he fails to disclose the gain to the principal or abuses his position acting for the principal and, at the relevant time, is dishonest.

2. A person may be guilty of a substantive offence of fraud where he acts in joint enterprise with another; or of conspiracy to commit fraud under the Criminal Law Act 1977; or of the common law offence of conspiracy to defraud where he has conspired with another.

Collusive Bidding-Up

3. If an agent and or a vendor rigs the bidding process by engaging other individuals to enter bids in order to push up the price that the purchaser will ultimately pay, they will have acted dishonestly and in order to make a gain - the vendor by a higher purchase price and the agent by a higher percentage commission. All individuals involved in this agreement may be guilty of the common law offence of conspiracy to defraud. They may also have committed offences under fair trading legislation.

Bribery Offences

4. Where the agent is paid a secret commission it may be an offence under the Fraud Act as set out above or, if it is part of an agreement whereby the agent will improperly perform his duties to the purchaser in return for profit, it may be an offence under the Bribery Act 2010.

i. It is an offence under s.1 of the Bribery Act 2010 for a person to offer, promise or give a financial advantage to another person intending that it will induce the person to perform improperly a relevant function or activity or reward the person for improper performance.

ii. It is an offence under s.2 of the Bribery Act 2010 for a person to request, agree to receive or accept a financial advantage from another person and intend that, in consequence, a relevant function or activity should be performed improperly whether by himself or another person.

[5]This section contains a statement of the law of England & Wales. Participants should take appropriate advice as to the law in other jurisdictions within the UK.

Money Laundering Offences

5. There are three substantive money laundering offences under sections 327, 328 and 329 of the Proceeds of Crime Act 2002 relating, in general terms, to the acquisition, retention, use or control of criminal property. Property is criminal if it constitutes or represents a person's benefit from criminal conduct and the person knows or suspects that it constitutes or represents such a benefit.

Tax Evasion Offences

6. Where a person seeks to deprive the revenue of money to which it is entitled, there are a number of offences under which he can be charged. It may be a fraud by misrepresentation, fraudulent evasion of income tax or, in the most serious cases, a charge under the common law of cheating the public revenue. There are additional offences which may be committed by a company or sole trader.

Criminal Penalties – England & Wales

The following summarises the penalties for the offences set out above:
The maximum sentence for the offences of bribery, fraud and conspiracy to defraud is 10 years imprisonment. The maximum sentence for money laundering is 14 years imprisonment and, for fraudulent evasion of income tax, 7 years. The maximum sentence for a cheat on the public revenue is life imprisonment (although the range in the Sentencing Guidelines spans 3 – 17 years imprisonment).

The maximum sentence for a conspiracy under section 1 of the Criminal Law Act 1977 will be the same as for the substantive offence.

On conviction, a person will be liable to confiscation proceedings under part 2 of the Proceeds of Crime Act 2002. These proceedings may result in the court depriving the person of the benefit they have gained from the criminal conduct. Failure to pay a confiscation order can result in an additional term of imprisonment.

B. Republic of Ireland[6]

Fraud Offences

1. Where an agent seeks to make a gain from either the purchaser or the vendor then he or she may be guilty of the offence of making a gain or causing a loss by deception under section 6(1) of the Criminal Justice (Theft and Fraud Offences) Act 2001 (the **"2001 Act"**) if a person dishonestly, with the intention of making a gain for himself or herself or another, or of causing loss to another, by any deception induces another to do or refrain from doing an act.

2. The 2001 Act also contains an offence of obtaining services by deception under section 7, whereby, a person is guilty of an offence if a person dishonestly, with the intention of making a gain for himself or herself or another, or of causing loss to another, by any deception obtains services from another. A person obtains services from another where the other is induced to confer a benefit on some person by doing some act, or causing or permitting some act to be done, on the understanding that the benefit has been or will be paid for.

[6]This section contains a statement of the law of the Republic of Ireland.

Bribery/Corruption Offences
Where the agent is paid a secret commission it may be an offence under the 2001 Act as set out above or, if it is part of an agreement whereby the agent will improperly perform his duties to the purchaser in return for profit, it may be an offence under the Criminal Justice (Corruption Offences) Act 2018 (the **"2018 Act"**).

3. Section 5 of the 2018 Act provides for offences of active and passive corruption which are similar to the bribery offences in the UK Bribery Act 2010. Under section 5(1), a person who either directly or indirectly by himself or herself or with another person (a) corruptly offers, or (b) corruptly gives or agrees to give, a gift, consideration or advantage to a person as an inducement to, or reward for, or otherwise on account of, any person doing an act in relation to his or her office, employment, position or business shall be guilty of an offence. "Corruptly" is defined in the 2018 Act as "(a) by means of making a false or misleading statement, (b) by means of withholding, concealing, altering or destroying a document or other information, or (c) by other means".

4. Section 5(2) of the 2018 Act then provides for an offence whereby a person who, either directly or indirectly, by himself or herself or with another person corruptly requests, accepts or obtains, or agrees to accept, for himself or herself or for any other person, a gift, consideration or advantage as an inducement to, or reward for, or otherwise on account of, any person doing an act in relation to his or her office, employment, position or business.

Money Laundering Offences

5. The Criminal Justice (Money Laundering and Terrorist Financing) Act 2010 (the **"2010 Act"**) includes an offence under section 7 of money laundering occurring within Ireland. A person commits this offence if the person engages in any of the following acts in relation to property that is the proceeds of criminal conduct: (i) concealing or disguising the true nature, source, location, disposition, movement or ownership of the property, or any rights relating to the property; (ii) converting, transferring, handling, acquiring, possessing or using the property; (iii) removing the property from, or bringing the property into, Ireland.

   The "proceeds of criminal conduct" is defined as any property that is derived from or obtained through criminal conduct, whether directly or indirectly, or in whole or in part, and whether that criminal conduct occurs before, on or after the commencement of the relevant part of the 2010 Act. "Criminal conduct" is defined as conduct that constitutes an offence, conduct occurring in a place outside Ireland that constitutes an offence under the law of the place and would constitute an offence if it were to occur in Ireland or conduct occurring in a place outside Ireland that would constitute an offence under section 5 (1) or 6 (1) of the Criminal Justice (Corruption Offences) Act 2018 if it were to occur in Ireland and the person or official, as the case may be, concerned doing the act, or making the omission, concerned in relation to his or her office, employment, position or business is a foreign official within the meaning of that Act".

6. Money laundering which occurs outside Ireland is also an offence in Ireland (section 8 of the 2010 Act) under certain circumstances, most notably where the conduct constitutes an offence under the law of that place and the person is an individual who is a citizen of Ireland or ordinarily resident in Ireland, or a body corporate established under the law of Ireland or a company registered under the Irish Companies Acts.

7. Attempting to commit the offence under section 7 of the 2010 Act from a place outside Ireland is also an offence (section 9 of the 2010 Act). Aiding, abetting, counselling or procuring the commission of an offence under section 7 by a person in a place outside Ireland is an offence under section 10 of the 2010 Act.

Tax Evasion Offences

8. The individual fraudulent evasion of tax or fraudulent evasion of tax with any other person or facilitating the fraudulent evasion of tax are offences under section 1078 of the Taxes Consolidation Act 1997.

Conspiracy

9. Section 71 of the Criminal Justice Act 2006 provides for an offence of conspiracy. Under section 71(1) a person who conspires, whether in Ireland or elsewhere, with one or more persons to do an act (a) in Ireland that constitutes a serious offence, or (b) in a place outside Ireland that constitutes a serious offence under the law of that place and which would, if done in Ireland, constitute a serious offence, is guilty of an offence irrespective of whether such act actually takes place or not. A serious offence is defined as one for which a person may be punished by imprisonment for a term of 4 years or more.

Criminal Penalties – Republic of Ireland

- The maximum sentence under section 6 and 7 of the 2001 Act, section 6 of the 2018 Act and section 1078 of the Taxes Consolidation Act 1997 is 5 years. The maximum sentence under sections 7 – 10 of the 2010 Act is 14 years.
- The maximum sentence for a conspiracy under section 71 of the Criminal Justice Act 2006 will be the same as for the substantive offence.
- A person may be subject to a confiscation order even in the absence of a criminal conviction under the Proceeds of Crime Act 1996 in circumstances where the applicant (either the Revenue, a member of an Garda Siochana or the Criminal Assets Bureau) has reasonable grounds for suspecting that the property, in whole or in part, directly or indirectly, constitutes the proceeds of crime and the value of the assets exceeds €5000.

BHA/TBA 2026 Inward Buyers Initiative

The BHA/TBA Inward Buyers' Initiative in conjunction with Tattersalls and Goffs UK offers to subsidise travel expenses of selected Purchasers from outside the British Isles at Sales held by Tattersalls **subject to purchases of 10,000 guineas or more per Sale.**

The Scheme will give a set refund based on the cost of an Apex fare from the country of origin when the Purchaser from outside the British Isles produces both proof of purchase at the relevant Sale and valid travel documents.

All potential purchasers from outside the British Isles should complete the form below and send to Tattersalls as early as possible prior to the relevant Sale as the scheme will be operated on a 'first come first served' basis to a set budget.

THOSE FAILING TO SUBMIT THE FORM BELOW PRIOR TO THE RELEVANT SALE WILL NOT BE ELIGIBLE FOR THE SCHEME.
