## Criteria for Pedigree Compilation

The following criteria have been agreed in principle by those Sales Companies represented on the European Sub-Committee of the International Cataloguing Standards Committee.

1. Pedigrees may not extend beyond the fifth dam. Only black-type performers and their links may be mentioned under the fifth dam.
2. Certain relationships to the subject animal are designated 'key positions'. Key positions comprise:
  - the subject animal him/herself
  - the first dam of the subject animal and any of her descendants

Only in the case of animals in key positions may the race names of non-black type races be carried. Only in the case of animals in key positions may a 4th-placing in a Group/Graded race be mentioned (NB Such a placing will not confer black type, except as set out on page viii of the ICSC Booklet 2010).

3. Jump Races appearing in Part IV of the ICSC Booklet may confer black type, but only if the type is italicised to differentiate it clearly from the black type given to flat race performances.
4. No reference to relationships may be made other than in the case of the Full- (i.e. 'own-') brother or sister. (That is to say, references such as 'three-parts sister to' and 'bred on the same lines as' are disallowed). Except in the case of the subject animal, the horse to whom the animal in question is related must be a black-type horse.
5. 'Excellence narrative' must be restricted to the top horse in any qualifying category. Thus, while a Sales Company may elect to use any one of the following terms – 'Champion', 'Top-rated' or 'High-weighted' – such terms as '2nd Top-rated' may not be used. Further, excellence narrative may only be applied to horses which
  - have been officially rated top within the following categories or combination of categories:
    - Continent
    - Country
    - Sex
    - Age
    - Distance range
  - have been published in the relevant section of the ICSC Booklet
6. Performances outside the home country of the catalogue in question will be indicated as such, either by citing the country(ies) by name or by use of the word 'abroad'.

This catalogue has been compiled in accordance with the criteria agreed by the International Cataloguing Standards Committee.

# Notices to Purchasers

## Catalogue Explanation

Within the catalogue each horse mentioned will appear in one of 6 typefaces. These are:

- HAMMER** - a Group/Graded, Listed Stakes winner as approved in parts 1 & 2 of the Cataloguing Standards Guide published by I.C.S.C.
- Hammer** - a horse placed second or third in the races above.\*
- HAMMER* - a winner of a race (either flat or N.H.).
- Hammer - a non-winner
- HAMMER** - a winner of a National Hunt Pattern race.
- Hammer** - a horse placed in a National Hunt Pattern race.

\*A horse placed fourth in Group, Graded or listed Races since 1990 does not thereby qualify for Black Type. Horses placed fourth in such races in 1989 or before remain qualified for Black Type (GR 1 fourths only in 1989).

From 1st of January 2020 only horses finishing second and third in any race will be deemed to be 'placed'.

For the dam, 2nd dam and (if shown) 3rd dam of the subject animal a précis is given of their winners, runners and foals of racing age. For the dam of a yearling, her 3 year old and 2 year old (where applicable) are shown and for the dam of a foal, her yearling also.

For all broodmares a full breeding-record is shown.

4th and 5th dams may be included (Black Type data and links only) if space allows.

### Inclusion of Form

All form shown is for performances on the flat unless otherwise specified.

For the subject animal or for the dam of a subject animal and her other produce, non Black-Type data may be included (Class 6 races or below excepted). For the subject animal or the dam of a foal or yearling, when such animal has run under National Hunt Rules (or its equivalent) outline details of its performances must be included.

Elsewhere within the 1st dam, details of win and place form under National Hunt Rules (or its equivalent) must be included, if applicable, for any lot mentioned

National Hunt Form (or its equivalent ) in the 2nd dam or beyond need not appear.

### Racing Careers

Purchasers should be aware that details of racing careers of Lots are not intended to be comprehensive and purchasers should therefore make their own enquiries concerning the full racing career of any particular Lot. Additionally, in view of the time elapsing between preparing the catalogue and the date of sale, there may well be further racing performances not recorded in the catalogue or announced from the rostrum.

### Catalogue Details

Pedigrees and performances are supplied for the sales catalogues by Weatherbys Bloodstock Services as a service to Tattersalls who are acting in their capacity as agent for the Vendors. The Vendors are solely responsible for the accuracy of all information concerning their horses (see Condition 13). Neither Weatherbys Bloodstock Services nor Tattersalls accepts liability for any loss resulting from any errors or omissions contained in the catalogue details.

In determining whether any Lot is returnable under Condition 10.6 TATTERSALLS may have regard to the opinion of any Veterinary Surgeon or Surgeons appointed by them whose opinion shall be given after examining the Lot with the endoscope. The Purchaser expressly acknowledges that the conditions revealed by post sale examination with an endoscope for which return to the Vendor is allowed are ONLY as set forth in Condition 10.6 and further acknowledges that there are other conditions which may be revealed by such examination which may affect the desirability of purchasing the Lot but which are NOT grounds for return to the Vendor.

The party against whom a decision is given shall:

- (a) pay to TATTERSALLS all costs and expenses (including insurance) incurred by them or in connection with the taking of evidence or making the decision.
- (b) indemnify TATTERSALLS against all costs claims, demands actions and expenses arising out of or in connection with such decisions. ### 13. Responsibility

The Vendor is responsible for the accuracy of all information concerning the pedigree description and health of a Lot. No statement certificate forecast or expression of opinion in respect thereof is or is to be deemed to be in any circumstances a representation, undertaking, warranty by TATTERSALLS or condition of any contract with TATTERSALLS and TATTERSALLS shall in no circumstances become liable to any person in respect thereof. TATTERSALLS reserve the right to require that any notice regarding the pedigree description and health of a Lot must be in writing and lodged at TATTERSALLS Newmarket office and/or if required TATTERSALLS Cheltenham Premises prior to the sale of the Lot and it is agreed that any such notice shall not be treated as given unless acknowledged in writing by TATTERSALLS. TATTERSALLS do not warrant that any Lot is eligible for participation in any scheme or race notwithstanding an announcement or notice in a catalogue or otherwise.

### 14. - 18. Purchasers

All Lots are sold subject to TATTERSALLS' Conditions of Sale and are subject to any announcements that may be made from time to time from the Auctioneer's Rostrum and therefore it is the responsibility of all bidders to be in attendance at the commencement of the sale of a Lot to hear any such announcements. Information appearing on notice and electronic boards in the Main Sales Office and the Sale Ring and anywhere else on TATTERSALLS "Premises" (as defined in Condition 7.1.) is for guidance purposes only and no liability shall attach to TATTERSALLS or the Vendor for any error in or omission from the information so provided. Where a Lot is described as being sold with race entries, the responsibility thereof passes to the Purchaser at Fall of Hammer.
15. There is no term implied in any sale that any Lot is of satisfactory quality, merchantable quality or is fit for training or any particular purpose. - 16.
- 16.1. The Vendor as defined in Condition 1.2 shall remain at all times the Vendor for the purpose of and within the meaning of these Conditions whether or not he was in fact the owner at the time of entry or if he was, notwithstanding any transfer of ownership prior to the fall of the hammer. Such transfer shall not by itself operate as the withdrawal or revocation of any authority to sell.
- 16.2. Where TATTERSALLS in their Sales catalogue make a statement as to the ownership of a Lot they do so in good faith and in accordance with the information provided in the sales entry form but they do not thereby make nor do they otherwise make any representation whatsoever, whether express or implied, as to the identity of the owner or owners of any Lot at the time of entry, time of sale or at any other time.
- 16.3. Without prejudice to the generality of the foregoing the fact that TATTERSALLS makes no such representation means that it shall not be a term of any contract between

TATTERSALLS and a Purchaser (whether condition, warranty or otherwise) that the Lot is at the time of sale or was at the time of entry or at any other time the property of any particular person or persons and that if a purchaser purchases a Lot relying on any representation as to the ownership of the Lot at the time of entry, time of sale or at any other time he does so, as far as his contract with TATTERSALLS is concerned, entirely at his own risk and such representation and/or reliance shall not prevent TATTERSALLS being entitled to recover the full amount of the purchase price immediately in accordance with Condition 4.

**16.4.** Consistently with and without prejudice to the foregoing in any case where TATTERSALLS are able to procure that title in the Lot passes to the Purchaser the fact, if it be the case, that as at the time of sale they did not have authority to sell shall not prevent TATTERSALLS being entitled to recover the full amount of the purchase price immediately in accordance with Condition 4.

**17.** An allegation by a Purchaser that a particular person, whether or not the owner of the Lot for the time being has taken part whether directly or indirectly in the bidding shall not prevent TATTERSALLS being entitled to recover the full amount of the purchase price immediately in accordance with Condition 4.

**18.** Further and without prejudice to any other provision of these Conditions TATTERSALLS make no representation whatsoever, whether express or implied, about, with regard to or in connection with any Lot. A Purchaser must make his own enquiries and exercise his own judgement as to a Lot and its value and if a purchaser purchases any Lot relying on any representation whether by or on behalf of the Vendor or otherwise howsoever he does so, as far as his contract with TATTERSALLS is concerned, entirely at his own risk and such representation and/or reliance shall not prevent TATTERSALLS being entitled to recover the full amount of the purchase price immediately in accordance with Condition 4.

**19. Disputes between Vendor and Purchaser**

Where, as between Vendor and Purchaser a dispute has arisen out of or in connection with the sale of any Lot TATTERSALLS shall not be liable to either party in connection therewith and no such dispute shall prevent TATTERSALLS being entitled to recover the full amount of the purchase price immediately in pursuance of Condition 4.

**20. Withdrawal**

TATTERSALLS shall not be liable to any person for any loss alleged to have been suffered as the result of the withdrawal of a Lot from any Sale for any reason.

## Notices to Purchasers

### Guidance for Purchasers

These pages, entitled "Guidance for Purchasers" are produced for the benefit of all prospective Purchasers who are advised to read them carefully and in full prior to purchase.

#### 1. Conditions of Sale

Before bidding, all prospective Purchasers should read carefully the Conditions of Sale printed immediately before this section.

The following documentation is available for inspection at the Bloodstock section in the Sales Office:

- Passport
- Vaccination records

Where in any case a health certificate has not been lodged with Tattersalls an announcement will be made from the Rostrum, however, prospective Purchasers should also make their own enquiries of the Vendor (please note also paragraph 9).

#### 5. Export Certificates

Following the implementation of Anti-Doping Rules by the British Horseracing Authority (BHA), there are new requirements for horses that have been imported into Great Britain for training and racing. A horse's export certificate has to be lodged with the General Stud Book (GSB) of Great Britain and

Ireland within 90 days of its arrival in Great Britain. A list of Lots that do not have their export certificates lodged with the GSB pre-Sale will be displayed on the Notice Board in the Sales Office. All enquiries should be made to the Bloodstock Section at the Sales Desk.

### **6. Pre-Sale Inspection of Lots**

Prospective Purchasers are advised to thoroughly inspect Lots. Purchasers must ensure that the Vendor's approval is obtained before a veterinary inspection is made. No-one may remove a sample of hair, blood or other testable material from any Lot while on Tattersalls premises (as defined in the Conditions of Sale) without written permission from the Vendor. If this permission is granted, Tattersalls must be notified in advance of such a sample being taken.

### **7. Veterinary Procedure (Condition of Sale 9)**

Unless otherwise stated in the catalogue or announced at the time of sale, all Lots will be sold as they stand with a pre-sale veterinary certificate, which will be available to view on the Tattersalls Cheltenham website ahead of the sale.

### **8. Conditions of Sale 14 -18**

Prospective Purchasers are particularly requested to read carefully the provisions of Conditions 14 - 18 of Tattersalls Cheltenham Conditions of Sale.

### **9. Description and Health / Returnable Lots (Conditions of Sale 10, 11 and 12)**

Attention is drawn to the Condition of Sale 10 entitled "Description and Health". Under Condition of Sale 12 no Lot is returnable other than in accordance with Conditions of Sale 10, 11 and 12.

### **10. Drugs - Non-Steroidal Anti-Inflammatories; Corticosteroids; Clenbuterol (Condition of Sale 22)**

Please note that instructions can only be given on the official Purchase Confirmation Form signed by the Purchaser in the Sale Ring to confirm his purchase. Purchasers can request that a sample be tested for Non-Steroidal Anti-Inflammatories; Corticosteroids; Clenbuterol as referred to in Conditions of Sale 22, at a cost of £750 plus VAT. All drug test fees will be included on the Purchaser's invoice.

### **11. Piroplasmiasis (Condition of Sale 23)**

Please note that instructions can only be given on the official Purchase Confirmation Form signed by the Purchaser in the Sale Ring to confirm his purchase. Purchasers can request a sample be tested for Piroplasmiasis at a charge of £150 plus VAT, which will be included on the Purchaser's invoice.

### **12. Insurance (Condition of Sale 7.1)**

Purchasers are reminded that from Fall of Hammer, or time of private purchase, horses are at their risk. Immediate insurance cover against mortality and theft is available subject to acceptance, and we strongly recommend that this is effected.

### **13. Keep and Removal of Horses After Sale**

Purchasers must make arrangements for the keep and attendance of their Lots from Fall of Hammer. Subject to the Conditions of Sale in general and Condition 5 in particular Purchasers (and Vendors of unsold lots) are requested to comply with any arrangements regarding removal of Lots from Cheltenham Racecourse Stables which may appear in the catalogue. Where Lots are not removed in accordance with those arrangements Tattersalls will charge the purchaser £75 per Lot plus VAT in respect of transportation and keep.

### **14. Release of Horses**

Before any Lot may leave Cheltenham Racecourse Stables or an Outside Standing, a Pass Out must be obtained from Accounts in the Sales Office. The green copy of the Pass Out must be handed in to our staff at the Control Office in Cheltenham Racecourse Stables and/or Outside Standing as the Lot leaves. Additionally Lots must have affixed the official Tattersalls numbered hip label. If the label is missing, Purchasers should immediately advise the Sales Office (or the Control Office if the Sales Office is closed)

who will arrange the issue of a duplicate label.

### 15. Identification of Horses

Purchasers are advised to check the description of their Lot in the passport (or a copy thereof) as soon as possible after purchase. Tattersalls will be checking the identity of Lots entered for our sales against official Identification Documents. This will take place in the days prior to the sale. This arrangement does not alter Vendors' and Purchasers' responsibilities under the Conditions of Sale and Tattersalls shall incur no liability or responsibility for any loss howsoever arising for any error or omission in respect of this identity check.

### 16. Documents

Documents will only be released either on the receipt of a written application or as a result of a personal application. Where documents are sent by post they are at the risk of the Purchaser.

### 17. Value Added Tax ('VAT')

#### 17.1. Lots for Export outside Great Britain and Northern Ireland

Where Lots are purchased for immediate export outside Great Britain and Northern Ireland the purchase may be zero-rated for VAT purposes provided that Tattersalls are supplied with a satisfactory proof of export from Great Britain and Northern Ireland by the Purchaser or his shipping agent. Similar arrangements are available in certain circumstances and subject to agreement on a Lot by Lot basis with HM Revenue & Customs where the Lot is not exported immediately. If there is likely to be any delay whatsoever in the exporting of a lot, the Purchaser is recommended to contact the Tattersalls Accounts department.

The Purchaser will be liable for import VAT in the country of arrival at the prevailing rate, however, if the Purchaser is VAT registered they may be able to use Postponed VAT Accounting to account for the VAT on their VAT return.

#### 17.2. Lots to be exported to Northern Ireland

Where Lots are purchased for export to Northern Ireland VAT will be charged as indicated in the catalogue or announced from the Auctioneer's Rostrum. If the Purchaser is VAT registered they may be able to reclaim the VAT as input VAT, subject to the normal rules.

When a VAT registered business moves goods from Great Britain into Northern Ireland, import VAT will be due and the business will need to account for VAT on the movement.

#### 17.2. Lots remaining in Great Britain

VAT will be charged as indicated in the catalogue or announced from the Auctioneer's Rostrum. The VAT Registration Scheme for Racehorse Owners in the UK allows owners to reclaim VAT on purchases where the horse remains in the UK. The Scheme also allows owners to reclaim VAT on training fees etc., where the horse is trained in the UK. Racehorse owners are urged to take full advantage of this scheme.

Breeders who are VAT registered can potentially recover VAT on all racing expenses. Anyone having any query on VAT is invited to contact a Tattersalls Accounts representative.

### 18. Payment for Purchases (Condition of Sale 4)

All Lots are sold for payment by cash, credit/debit card, or acceptable bankers draft (Condition 4.1). Please note Tattersalls are no longer able to accept € 500 notes. Ring prices are quoted in £ sterling. All invoices raised are in Sterling and all payments for purchases are due in Sterling. Prospective Purchasers may deposit funds with Tattersalls prior to a sale. If a Purchaser wishes to pay by any other method, arrangements must be agreed before bidding. Please complete a New Buyer Form (see, page 39) and send this to Accounts at least 7 days before the sale. Please ask your bankers to forward a reference direct to Accounts as your application cannot be considered until this is received.

**Please note all customers should contact the Tattersalls Accounts department prior to bidding in order to agree payment procedures.**

Tattersalls' bankers are:

Overseas Purchasers funding their purchases from non-sterling sources may wish to consider covering forward their Sterling liabilities.

### **19. Purchasers Authorisation**

This scheme is available for Purchasers who wish to appoint an agent to act for them. Forms can be obtained by personal application only to Accounts. The scheme is subject to:

1. The Authorisation together with a payment reference, both completed and signed by the Principal, being lodged with Tattersalls by way of application at least 7 days before the sale.
2. No Authorisation is effective unless it has been approved in writing by Tattersalls who reserve the right to withhold acceptance without giving any reason. An agent may not bid under this Authorisation until such written acceptance has been received.
3. Agents must notify Accounts in the Main Sales Office of any purchases under and Authorisation immediately following purchase.

### **20. Private Sales**

#### **20.1. Contract**

When Lots fail to sell in the ring, Private Sales may be registered with Tattersalls and will invoke the Conditions of Sale (save those highlighted on the Private Sale Agreement Form) unless otherwise agreed. Vendors and Purchasers wishing to register Private Sales with Tattersalls should go to Accounts. No statement, certificate, forecast or expression of opinion made by Tattersalls in respect of any Lot is or is deemed to be in any circumstances a representation, undertaking or warranty by Tattersalls and Tattersalls shall in no circumstances become liable to any person in respect thereof.

#### **20.2. Auction Races**

Lots sold or bought-in at public auction under the hammer qualify for Auction Races but Lots which do not reach their reserve do not qualify. The sale of a Lot privately does not qualify the Lot for Auction Races.

### **21. Integrity of Bloodstock Sales - Bloodstock Industry Code of Practice**

Tattersalls regards the integrity of its Sales as a matter of the utmost importance and has a zero tolerance policy regarding any breach of the Bloodstock Industry Code of Practice ("the Code"). In that regard and pursuant to Condition of Sale 2.8 all Sales participants (whether vendors, purchasers, agents or otherwise) are bound to comply with the Code. A copy of the Code is printed in this Sales catalogue and available for inspection on Tattersalls' website. All Sales participants are strongly advised to read the Code and to note the serious consequences for any failure to abide by the Code.

## **22. Overseas Owners' Premiums**

A list of Lots in this catalogue which are qualifiable for Overseas Owners' Premiums can be viewed on request to a Tattersalls representative. In all instances, any queries regarding Owners' Premiums should be directed to the Vendor of the Lot and to the appropriate Stud Book Authority to ensure that the Lot meets the criteria required to retain the Premiums.

## **23. Vetting Fees**

Where a Lot is sold subject to a Pre-Sale Veterinary Examination, the Vendor is liable to pay the vetting fee of £250 plus VAT for the pre-sale examination of the Lot. If the Lot is subsequently sold by auction at TATTERSALLS Sale the Vendor's account will be credited with the vetting fee and the Purchaser shall be liable to pay this fee which shall be added to his account and paid at the same time as the purchase price for the Lot.

## **24. Not in G.S.B**

Where a Lot is described as "Not in G.S.B." It is a non thoroughbred and is registered in the Non Thoroughbred Racing Register but not in the General Stud Book. A Lot registered in the Non Thoroughbred Racing Register is eligible to race under Rules in Great Britain and Ireland, but other racing jurisdictions may preclude non thoroughbreds from participation. Prospective purchasers are advised to make enquiries with the relevant racing jurisdictions before bidding on any Lots.

## **24. Registrations for Live Internet Bidding**

Registrations for Live Internet Bidding Live Internet Bidding provides a way to submit live bids to the auctioneer via a bidding screen without the need to be on site. Prospective purchasers must register with Tattersalls at least 48 hours prior to the start of sale by selecting the following link <https://www.tattersalls.com/livebidding>. This application will then require authorisation from Tattersalls' Accounts Department prior to activation. All registrations and bids are subject to Tattersalls Live Internet Bidding Terms available to view on the Tattersalls website.

## Credit/Debit Card purchases

Payment for horse purchases may be made by credit card, debit card or AMEX, subject to the card issuer's approval. Cards displaying VISA, MasterCard, Maestro or AMERICAN EXPRESS will normally be accepted. Please ask at the accounts desk if you have any other card.

If you intend to utilise this method of payment, please advise your credit/debit card provider of your intentions prior to your arrival at the Sales. This should reduce the time taken by the credit/debit card provider to authorise the transaction when it is processed. Alternatively, pre-authorisation can be obtained prior to making a purchase. For further information on this procedure, please speak to a Tattersalls representative at the Accounts desk.

From February 2006, in accordance with new UK banking requirements, all credit and debit card transactions will have to be authorised by the cardholder using their PIN number. Please ensure that you have memorised your PIN number.

## Purchaser payments in cash/travellers' cheques

As stated in note 23 in the "Guidance for Purchasers", Tattersalls are pleased to accept cash payments in settlement of amounts due for the purchase of bloodstock. As required by law it will be necessary for Purchasers to provide additional information when making cash payments of €10,000 or more:

- (i) proof of identity - either passport or driving licence with photograph and personal information.
- (ii) evidence of home address - utility bill or formal correspondence with full name and address details.
- (iii) provenance of funds.

It will be necessary for Tattersalls to take copies of the documentation provided and to retain the copies on file.

Customers are recommended to refer to the HM Government website ([www.gov.uk/bringing-cash-into-uk](http://www.gov.uk/bringing-cash-into-uk)) for the procedural requirements when carrying cash in and out of the United Kingdom.

Please note Tattersalls are no longer able to accept € 500 notes.

Tattersalls thank customers in advance for their co-operation and apologise for any inconvenience caused.

# BHA Equine Anti-doping Rules (EADR)

Permanent Import requirements are only relevant to those horses that remain in Great Britain (GB) and are intended for training and racing

## **Key requirements:**

1. Export Certificate (all horses) must be filed with the General Stud Book within 90 days of arrival;
2. Whereabouts information must be filed within seven Business Days of the horse's arrival in GB, except where waived:
  - The horse has come from a country with an equivalent Testing policy\* and
  - The horse was present there for 12 consecutive months immediately prior to importation, or;
  - The Permanent Import test is conducted at fall of the hammer.
 Any change in circumstances (such as change of location) must be updated as soon as possible.
3. Permanent Import test is required (except as waived above, point 2):
  - Testing may be conducted unannounced;
  - Sample is collected at the Responsible Person's expense;
  - Testing may be requested by the Purchaser at fall of the hammer, by signing to this effect on the form of Purchase Confirmation supplied by Tattersalls, where the list (available in the Main Sales Office) indicates the testing requirement has not yet been fulfilled.

### To note:

- Broodmares, or other horses, permanently retired from racing are not subject to EADR requirements, provided the BHA is notified of the retirement via [anti-doping@britishhorseracing.com](mailto:anti-doping@britishhorseracing.com);
- Tattersalls 'BHA Badged' Anabolic Steroid Test DOES NOT replace the requirement for a Permanent Import test (which includes other Prohibited at all times substances);
- If the Permanent Import test is required, and the Purchaser doesn't request this at fall of the hammer, they must comply with the requirements set out as above post-Sale;
- Purchasers should confirm if their intended purchase has complied with EADR requirements, by checking the list in the Main Sales Office for the status of export certificate and testing requirements;
- A guide to the BHA Equine Anti-Doping Rules is available for download from the BHA website ([www.britishhorseracing.com](http://www.britishhorseracing.com));
- Failure to comply with the EADRs may result in disciplinary action being taken by the BHA, including the horse being prevented from running in Britain;
- If you have any questions about the EADRs please contact [anti-doping@britishhorseracing.com](mailto:anti-doping@britishhorseracing.com).

Neither Tattersalls nor the BHA take any responsibility for a horse not being permitted to remain in GB to train and race where a Purchaser has not taken the necessary steps to ensure they comply with the BHA's EADR requirements.

\*For the purpose of the Rules countries currently with equivalent testing policy are: France, Ireland, Germany, Sweden, Norway and Hong Kong.

# The Bloodstock Industry Code of Practice

Since 2009, when the current Bloodstock Industry Code of Practice came into effect, the Bribery Act 2010 has been passed into law in the United Kingdom. The Bribery Act made bribery a criminal offence, punishable with up to 10 years' imprisonment. This is reflected in this new Code, which is designed to prevent serious malpractice in the bloodstock sales industry, including by banning: (a) bribery (whether described as "Luck Money" or not); (b) acting for both sides on a Sale without prior informed consent; and (c) the practice of collusive "bidding up". Such practices have no place in the bloodstock industry.

To assist with this stated objective and to encourage Participants to come forward with concerns over an alleged breach of the Code, the Bloodstock Industry Forum has established a facility for a Participant with such concerns to obtain free, initial and independent legal advice from a Panel Lawyer as to any criminal, civil and regulatory remedies for breach of this Code. The Panel Lawyer will owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by the Bloodstock Industry Forum. In addition to breach of this Code, misconduct relating to Sales may lead to civil and criminal liability. For example, where a bribe is paid to an Agent, this may lead to civil liability to pay the Principal the amount of the bribe, on the part of either of (or both) the paying and receiving party, as well as to the commission of a criminal offence under the Bribery Act 2010 (applicable in the United Kingdom) or the Criminal Justice (Corruption Offences) Act 2018 (applicable in the Republic of Ireland).

This Code has been drawn up by and with the full support of all members of the Bloodstock Industry Forum namely: The British Horseracing Authority, the Irish Horseracing Regulatory Board, Horse Racing Ireland, the Irish Thoroughbred Breeders Association, the Breeze-Up Consignors Association, the Federation of Bloodstock Agents, the National Trainers Federation, the Racehorse Owners Association, the Thoroughbred Breeders Association, Goffs and Tattersalls.

This Code will be reviewed annually to ensure that it remains robust and fit for purpose.

## THE NEW CODE: RULES

**Authority:** means the Horseracing Authority where the sale or leasing of bloodstock, stallion shares and nominations, whether by private transaction or public auction, takes place.

**Panel Lawyer:** A lawyer appointed by the Bloodstock Industry Forum who shall owe his duties, including his duty of confidence, exclusively to the Participant and who shall carry out an initial investigation and provide initial legal advice limited to 15 hours of legal services into the alleged breach of the Code. **Sale:** The sale or leasing of bloodstock, stallion shares and nominations, whether by private transaction or public auction, taking place within Britain and Ireland.

## **RULE 1:**

### **Application of the Rules**

- (B) **The Code is of particular application to Agents. However, the Code is not confined to Agents, but applies to all Participants at Sales.**

## **RULE 2:**

**The General Duty: Participants shall act honestly and with integrity in relation to Sales.**

## **RULE 3:**

### **Bribery, secret profits, and other payments:**

- (A) **A Participant shall not solicit nor receive any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.**
- (B) **No Participant in a Sale shall offer or grant or provide any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.**
- (C) **Agents shall not profit from their position as Agents without the Prior Informed Consent of their Principal, provided always that where it is not possible to obtain Prior Informed Consent in advance, consent shall be deemed to be prior if sought and obtained as soon as reasonably practical.**

## **RULE 4:**

### **Authority and information provision**

- (A) **An Agent shall act in accordance with the instructions of their Principal and within their authority.**
- (B) **An Agent shall inform their Principal promptly and in full of any offers received for their Principal's horse(s).**

## **RULE 5:**

**Agents shall act in the best interests of their Principal in relation to Sales.**

## **RULE 6:**

**Agents shall not put themselves or be in a position where their personal interests conflict or may conflict with those of their Principal, without Prior Informed Consent. Such a conflict arises, amongst other things, in acting for more than one party to a Sale.**

## **RULE 7**

### **Market Abuse at Public Auction**

#### **(A) Collusive Bidding-Up:**

**Participants shall not enter into any agreement, understanding or arrangement with any other person or entity with the intention of directly or indirectly increasing the price of a horse in a public Sale, save that a vendor is entitled to place a reserve and may appoint one person to bid on their own behalf (or where a horse is stated to be the property of a partnership any partner may appoint one person to bid on their behalf) where and as permitted under the rules of the auction in question.**

#### **Induced Purchases at Public Auction:**

**(B) A Participant shall not, prior to a horse's sale at public auction, either directly or indirectly solicit, demand or receive any financial advantage from the vendor as an inducement or reward for bidding on or buying the horse.**

**(C) A vendor shall not, prior to their horse's sale at public auction, either directly or indirectly offer, grant or provide any financial advantage as an inducement or reward for bidding on or buying their horse, unless the same advantage is available to the whole market.**

## **RULE 8:**

### **Assistance:**

**A Participant assisting another in a course of conduct, knowing that the course of conduct is breaching or likely to breach any rule of this Code or deliberately closing their eyes to that possibility, shall be treated as if they too acted in breach of that rule.**

## **ENFORCEMENT AND SANCTION UNDER THE CODE OF PRACTICE**

Any Participant with concerns over an alleged breach of the Code is encouraged to come forward and use the facility established by the Bloodstock Industry Forum to obtain free, independent and confidential initial legal advice from a Panel Lawyer as to any criminal, civil and regulatory remedies for breach of this Code. The Panel Lawyers owe their duties, including their duty of confidence,

# The Bloodstock Industry Code of Practice *cont.*

exclusively to the Participant and their fees for providing initial legal advice will be met by Bloodstock Industry Forum.

The British Horseracing Authority adopts and the Irish Horseracing Regulatory Board supports the Bloodstock Industry Forum's Code of Practice. Any person found by the BHA to be in breach of the Code whether bound by the Rules of Racing or not, may be banned in Britain from racecourses and other licensed premises and banned also from conducting business with licensed individuals. The IHRB will have due regard to a breach of the Code when exercising their powers over individuals licensed by them or who seek to be licensed by them. Additionally, Tattersalls and Goffs fully support the Bloodstock Industry Forum's Code of Practice. To give effect to its spirit and intent and to prevent those breaching the Code from participating in their sales, Tattersalls and Goffs have amended their terms and conditions of business to establish a clear right to exclude any person or entity from participating in their sales in both Britain and Ireland (whether as vendor, purchaser, agent or otherwise) where they or any person or entity acting on their behalf have been found guilty of a criminal offence appearing to them to involve a breach of the Code, or who has been found liable in High Court or similar civil proceedings for conduct appearing to them to involve a breach of the Code (whether such criminal or civil proceedings take place in the United Kingdom, the Republic Ireland or elsewhere) or who has been sanctioned by the British Horseracing Authority for breach of the Code.

## EXPLANATORY NOTES AND EXAMPLES:

### INTRODUCTION

The individual Rules are set out below with Explanatory Notes. These are intended to assist Participants of every type, from professional Agents, to trainers, to novice purchasers of bloodstock, to understand the meaning of the relevant Rule, giving practical examples of the type of conduct which will likely amount to a breach of the Code where appropriate.

In order to ensure that Participants are aware of the full significance and potential consequences of any improper practices, and so that the victims of such improper practices are aware of their potential remedies and rights arising from such improper actions, the Explanatory Notes also summarise at the end the potential civil or criminal consequences of such acts.

However, nothing in the Explanatory Notes should be taken as advice as to the remedies and rights of individuals as regards the civil law or criminal consequences of particular acts. Participants who have concerns over an alleged breach of the Code should take their own legal advice as to any criminal, civil and regulatory remedies and in the first instance are encouraged to take advantage of the facility established by the Bloodstock Industry Forum to obtain free initial and independent legal advice from a Panel Lawyer. The Panel Lawyer will owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by the Bloodstock Industry Forum. The intention of the Civil and Criminal section below is to point to potential further consequences of particular acts, which may also be breaches of this Code, so as to reinforce the purpose of the Code in preventing improper practices.

### RULE 1:

#### Application of the Rules

- (A) **This Code applies to all Sales within Britain and Ireland after 16 August 2021.**
- (B) **The Code is of particular application to Agents. However, the Code is not confined to Agents, but applies to all Participants at Sales.**

#### EXPLANATORY NOTE:

The Rules apply regardless of whether the relevant **Participant** is a citizen of Britain or Ireland, or present in Britain or Ireland. The only relevant requirement is that the **Sale** (public or private) should take place within Britain or Ireland and after the 16th August 2021. For example, an individual resident outside and physically absent from Britain or Ireland at the time of the Sale will still be subject to this Code as regards a Sale if they are a Participant in that Sale.

Examples of those acting as Agents include: bloodstock agents, trainers and racing managers purchasing on behalf of clients, syndicate managers purchasing on behalf of a syndicate, an individual purchasing on behalf of a family member or friend. The issue is the capacity in which the person is acting on the specific Sale, not their title or customary role. A person normally acting as a bloodstock agent, will not be acting as an Agent when buying on their own account, but will be when buying for another person.

Although centrally concerned with abuses by those acting as Agents, the Code applies to **all** Participants. For example, Rule 3 makes it a breach of a code to **offer or receive** improper financial

advantage (colloquially, a bribe), so that both the party receiving the bribe (often a purchaser's Agent) **and** the party paying the bribe (often a vendor or their agent), will be in breach of the Code (and potentially liable to civil and criminal consequences).

## **RULE 2:**

**The General Duty: Participants shall act honestly and with integrity in relation to Sales.**

### **EXPLANATORY NOTE:**

This General Duty to act honestly and with integrity is an overall statement of the aims and purposes of the Code. There is no special meaning to the terms "honestly" and "with integrity", which are ordinary words. It should usually be obvious to any Participant whether a course of action is in compliance with the General Duty. If they have any doubts, good sense suggests that the Participant should not pursue the course of conduct in question, or only proceed having taken professional advice. The General Duty also permits disciplinary action as regards misconduct not foreseen and specifically catered for in specific Rules.

## **RULE 3:**

**Bribery, secret profits, and other payments:**

- (A) A Participant shall not solicit nor receive any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.**
- (B) No Participant in a Sale shall offer or grant or provide any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.**
- (C) Agents shall not profit from their position as Agents without the Prior Informed Consent of their Principal provided always that, where it is not possible to obtain Prior Informed Consent in advance, consent shall be deemed to be prior if sought and obtained as soon as reasonably practicable.**

### **EXPLANATORY NOTE:**

Bribery, particularly of Agents, is a central concern to which the Code is directed. Participants should be aware that it is not only the Agent, receiving a bribe or secret profit who is at serious fault: those offering or paying bribes are equally responsible.

Participants should be clear that there can generally be no legitimate reason for an Agent of the purchaser to be rewarded **in any way** by the vendor and parties related to the vendor, and that the Agent of the purchaser should generally only be rewarded by their Principal, the purchaser.

This is so whether or not the payments are described as "Luck Money". Participants should be aware that such terminology and historical practices do not in any way alter the fact that payments of undisclosed/improper inducements are not permitted.

Where any gift (even a modest one) is received by an Agent on an unsolicited basis, the Agent must still seek consent (and obtain it) as soon as reasonably practicable after receiving it, if they are properly to retain the gift. If, however, the Principal's consent is **not** forthcoming, the Agent cannot properly retain the gift and should return it.

Financial benefits need not be direct and/or of cash. Payments in kind suffice, a watch or other

## The Bloodstock Industry Code of Practice *cont.*

valuable item, for example. The benefit need not be direct, for example payments to the order of the Agent (to extinguish debts, and/or to family).

It is irrelevant whether or not the purchaser has suffered a loss (i.e. that they may have paid a fair price at public auction, for example). An attempted bribe, even if refused, and/or even if it had no effect on the receiving party, is still a bribe. (As explained below, the parties to a bribe, both bribing party and receiving party, may be liable to account to the other party, usually the purchasing Principal, for the amount of the bribe. Those assisting such activity may also be liable for any losses.)

Examples:

An Agent for the purchaser seeks and receives a payment or promise of a payment from the vendor of a horse in order to buy that horse, which is **not** disclosed to the Agent's principal. The Agent will have received a bribe and/or secret profit and be in breach of Rule 3A and 3C. The vendor will have bribed the Agent and be in breach of Rule 3B. The vendor and the Agent may both be liable to civil and criminal consequences. This applies where the Agent is receiving a share or cut relating to collusive bidding-up where this has been pre-agreed: see Rule 7 and the example there.

A trainer acting for a purchaser, whether an existing client or not, as regards a sale, is in the same position as any other Agent. However, the fact that they may profit from the sale indirectly through the payment of fees when the horse is trained by them after purchase is not an illegitimate profit, since it will be known to the purchaser.

A trainer advising a purchaser and accepting money to influence the purchase will be taking a bribe. The party offering and the trainer will both be in breach.

Where a trainer or racing or syndicate manager appointed by a purchaser seeks to share in or does share in any commission otherwise payable by the purchaser to his bloodstock agent, then the trainer, racing or syndicate manager must obtain the Prior Informed Consent of their Principal to any such arrangement.

An Agent seeks "Luck Money" from the vendor as regards a sale, whether before or after sale, which is **not** disclosed to the Agent's Principal. This will be a breach by the Agent in seeking such a reward and there may be civil and criminal consequences for both. Paying it would put the vendor in breach and there may be civil and criminal consequences. The fact that the term "Luck Money" is used makes no difference.

### **RULE 4:**

#### **Authority and information provision**

- (A) An Agent shall act in accordance with the instructions of their Principal and within their authority.**
- (B) An Agent shall inform their Principal promptly and in full of any offers received for their Principal's horse(s).**
- (C) An Agent for reward shall make and keep correct records and accounts of their dealings on behalf of their Principals and shall produce on request to the Principal (or other proper person appointed by the Principal) all books, records, and documents (electronic or hard copy, including emails, texts and other social media communications) under their control relating to the affairs of their Principal.**

# The Bloodstock Industry Code of Practice *cont.*

## EXPLANATORY NOTE:

Agents are obliged to act within the scope of their authority. In particular, they should follow any instructions of their Principal. Agents also have a duty to report to their Principal on matters of relevance, offers to purchase being of particularly obvious significance.

Agents have a general legal duty to keep proper records of their dealings on behalf of their Principals and, if requested, to produce such records to the Principal or, for example, their lawyers, all documents relating to the affairs of the Principal. Such is, in any event, obvious good practice.

## **RULE 5:**

**Agents shall act in the best interests of their Principal in relation to Sales.**

## EXPLANATORY NOTE:

Agents acting for others (Principals) at Sales are subject to certain general principles of law, sometimes referred to as “fiduciary duties”, of which this is a fundamental one. This is sometimes considered part of a duty of “loyalty”. Some of the other Rules below as regards Agents are aspects of this fundamental principle.

This Rule applies whatever the type of agency. It makes no difference if the Agent is retained on a professional basis, or acting for free, is acting on a long-term basis, or on a one-off basis. There need be no written contract, or express agreement, that such a term applies, or even a contract.

## Examples:

Agents will normally have little difficulty in knowing whether or not they are acting in the interests of their Principal. For example:

It is obviously not in the interests of a purchasing Principal for the Agent to cause the Principal to buy a horse for more than it is truly worth.

It is not acting in the best interests of the Principal for an Agent to spread information against the Principal's interest.

It is not acting in the best interests of the Principal for an Agent only to view horses or to recommend horses to their Principal because of some collateral advantage to the Agent (such as a bribe).

It is not in the best interests of the Principal for the Agent to disclose their Principal's budget for a purchase to a vendor with a view to manipulating the price of a sale, or for reward.

## **RULE 6:**

**Agents shall not put themselves or be in a position where their personal interests conflict or may conflict with those of their Principal, without Prior Informed Consent. Such a conflict arises, amongst other things, in acting for more than one party to a Sale.**

## EXPLANATORY NOTE:

The Agent cannot be in a position where their own interests do, or **may**, conflict with those of their Principal, whether or not the duties actually conflict.

## The Bloodstock Industry Code of Practice *cont.*

An Agent cannot act for both the buyer and seller in a Sale unless (both the) Principals (but particularly the purchaser) are fully aware of, and consent to, the fact that the Agent is acting for both parties. Purchasing Principals in general would have no reason to approve such a conflict if known.

An Agent cannot act for more than one purchasing principal as regards the same horse without their being a conflict, such that they need the Prior Informed Consent of **each** principal to act for them on a particular sale (or to any alternative arrangements).

It does not matter that the Agent is not, in fact influenced by the conflict.

It does not matter that the Principal suffers no loss as a result of the Agent's conflict.

The potential conflict may extend to indirect and/non-financial conflicts, for example where the vendor is a close relative of the purchaser's Agent.

**Prior Informed Consent** is referred to in the Definitions Section. Agents should disclose any circumstance material to the consideration of whether or not to give consent, and the Principal should be made fully aware of the nature of the conflict or potential conflict. The consent needs to be given **prior** to the purchase. Good sense suggests that written evidence of Prior Informed Consent to significant conflicts should be obtained.

### EXAMPLES:

An Agent acting for a purchaser is also acting as Agent for the vendor, without disclosing this to the purchaser. The Agent is in a position of conflict and in breach of this rule and there may be civil and criminal consequences.

An Agent has a small share in a syndicate owning a horse, which their Principal wishes to purchase. The Agent must obtain the Prior Informed Consent of the purchaser to be able to act on the sale. This is so regardless of whether the Agent is in any way affected by the small interest, and would have acted in exactly the same way anyway. The concern is that the Agent **may** be more likely to influence the Principal to buy that horse, perhaps at a higher price. Nor is it an answer that the Principal did not actually overpay (for example that the purchase was via public auction).

A trainer hopes to train a horse for the purchasing Principal after purchase and acts as Agent for the purchase of the horse. This normally should present no difficulty, since the interests do not necessarily conflict and the Principal is well aware that the trainer is a trainer and might hope to train the horse. However, if the trainer causes the purchaser to overpay so as to increase his fees, or for other financial benefit, they have acted for their own interests against those of the Principal (see Rule 5).

## RULE 7

### Market Abuse at Auction

#### (A) Collusive Bidding Up:

**Participants shall not enter into any agreement, understanding or arrangement with any other person or entity with the intention of directly or indirectly increasing the price of a horse in a public Sale, save that a vendor is entitled to place a reserve and may appoint one person to bid on their own behalf (or where a**

**is stated to be the property of a partnership any partner may appoint one person to bid on their own behalf) where and as permitted under the rules of the auction in question.**

## **Induced Purchases at Public Auction:**

- (B) A Participant shall not, prior to a horse's sale at public auction, either directly or indirectly solicit, demand or receive any financial advantage from the vendor as an inducement or reward for bidding on or buying the horse.**
- (C) A vendor shall not, prior to their horse's sale at public auction, either directly or indirectly offer, grant or provide any financial advantage as an inducement or reward for bidding on or buying their horse, unless the same advantage is available to the whole market.**

## **EXPLANATORY NOTES:**

Rule A: Collusive Bidding Up, i.e. the collusive making of bids to increase the price of horse in a public auction, is a serious abuse of the market. This is so regardless of whether or not the collusion also involves the payment of a bribe.

Rules B and C: address market abuse through inducements required by/offered to those intending to purchase horses at public auction. Such "inducements", in particular the payment of so called "Luck Money", are open to abuse and create an un-level playing field at public auction.

There need be no formal agreement: any arrangement or understanding will suffice. A promise to pay is sufficient. An indirect financial advantage is sufficient, for example an understanding to return the favour at a later date.

### **Examples: Collusive Bidding-Up**

A vendor reaches an understanding with more than one other person that the others should bid for the vendor's horse in a public auction in order to increase the price, without any intention to buy. All parties to this understanding are in breach of this Rule.

As for the above example, but this involves the Agent of a purchaser. The Agent tells the vendor the Principal's budget, the parties bid up the horse to that level or close to it. The parties split the proceeds, perhaps the price above the reserve. All parties are in breach of this Rule. They have also breached Rule 3 as to bribery and there may be civil and criminal consequences.

### **Examples: Induced purchases at Public Auction (Rules 7 B and 7 C)**

Prior to an auction sale, Purchaser A agrees with a vendor that the purchaser will bid on the vendor's horse if the vendor agrees to pay Purchaser A a percentage of the sale price if Purchaser A buys the horse. The effect is to give the Buyer Purchaser A a subsidy in bidding on the horse (and a percentage reduction in price), unknown to the market. Competing Purchaser B, not party to such an agreement and not knowing of it, may lose the purchase as a result of being outbid in light of the subsidy or may have to pay more to buy the horse than they would otherwise have paid. In short, there is no level playing field. The same is unaffected by describing the payment as "luck money". The same scenario as above, but Purchaser A, or an agent acting for Purchaser A, instead of

# The Bloodstock Industry Code of Practice *cont.*

seeking a percentage payment for Purchaser A, agrees with the vendor before the Sale at Auction that, if Purchaser A purchases, the vendor will pay Purchaser A's agent's or other fees. The effect is the same: Purchaser A has an unfair advantage over other purchasers who do not have such an arrangement.

A vendor shall not offer an inducement to purchase their horse unless the same inducement is offered to the whole market in which event the vendor must take all reasonable steps to make the inducement (for example, a discount on the price) available to the whole market prior to the sale.

For the avoidance of doubt an agreement made between vendor and prospective purchaser prior to a horse's sale at public auction whereby the vendor agrees to retain a percentage ownership interest in the horse in the event that the horse is purchased by that prospective purchaser, such that the purchase price payable by the purchaser is reduced by the commensurate percentage, is not considered to be and shall not be a breach of Rules 7(B) and 7(C).

## **RULE 8:**

### **Assistance:**

**A Participant assisting another in a course of conduct, knowing that the course of conduct is breaching or likely to breach any Rule of this Code or deliberately closing their eyes to that possibility, shall be treated as if they too acted in breach of that rule.**

### **EXPLANATORY NOTES:**

Assisting a breach is unacceptable conduct, like aiding and abetting in the criminal context.

## **ENFORCEMENT AND SANCTIONS UNDER THE CODE OF PRACTICE**

Any Participant with concerns over an alleged breach of the Code is encouraged to come forward and use the facility established by the Bloodstock Industry Forum to obtain free, independent and confidential initial legal advice from a Panel Lawyer as to any criminal, civil and regulatory remedies for breach of this Code. The Panel Lawyers owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by Bloodstock Industry Forum.

The British Horseracing Authority adopts and the Irish Horseracing Regulatory Board supports the Bloodstock Industry Forum's Code of Practice. Any person found by the BHA to be in breach of the Code whether bound by the Rules of Racing or not, may be banned in Britain from racecourses and other licensed premises and banned also from conducting business with licensed individuals. The IHRB will have due regard to a breach of the Code when exercising their powers over individuals licensed by them or who seek to be licensed by them. Additionally, Tattersalls and Goffs fully support the Bloodstock Industry Forum's Code of Practice. To give effect to its spirit and intent and to prevent those breaching the Code from participating in their sales, Tattersalls and Goffs have amended their terms and conditions of business to establish a clear right to exclude any person or entity from participating in their sales in both Britain and Ireland (whether as vendor, purchaser, agent or otherwise) where they or any person or entity acting on their behalf have been found guilty of a criminal offence appearing to them to involve a breach of the Code, or who has been found liable in High Court or similar civil proceedings for conduct appearing to them to involve a breach of the Code (whether such criminal or civil proceedings take place in the United Kingdom, the

Republic Ireland or elsewhere) or who has been sanctioned by the British Horseracing Authority for breach of the Code.

## CIVIL LIABILITIES AND CRIMINAL OFFENCES ARISING FROM MISCONDUCT

### Civil Liabilities

Participants should be aware of the potential financial consequences of misconduct of the type against which this Code is directed. In simple terms, Agents receiving bribes, Luck Money or rewards beyond what their Principal has agreed to pay them, may well be liable to pay over that money to their Principal. Those making the improper payments may also be liable for the amount of the payment. In both cases, this is regardless of whether the Principal can show they have suffered any loss.

The following example addresses the example of bribery of an Agent and explains the potential civil liabilities. The example assumes the issues can be proved to the relevant standards, such as dishonesty, where required.

An Agent, with the assistance of a Trainer who introduces the parties and attends the meetings, seeks and obtains a bribe from a Vendor of a horse to purchase the horse on behalf of the Principal at an inflated price.

The Agent will be liable for the Principal's losses as regards the purchase, including any over-value.

The Agent will be liable to account to (i.e. pay, in simple terms) the Principal the amount of the bribe, regardless of whether or not the Principal can prove a loss.

The Trainer will be liable for dishonest assistance and so liable to compensate the Principal for any losses, jointly with the Agent. If they have received part of the bribe or the proceeds of it, or other financial benefit, they may be liable to account for this also (whether or not the Principal can show a loss).

The Vendor will be liable for losses suffered by the Principal. Alternatively, the Vendor will be liable **for the amount of the bribe in question**, whether or not the Principal has suffered any loss. The payment of a bribe will likely also permit the relevant contract to be unwound, if a private sale. It is **not** necessary to prove against the Vendor any dishonesty, intent to corrupt or actual corruption

# The Bloodstock Industry Code of Practice *cont.*

of the Agent. The Vendor may also be liable for the amount of the bribe even if this was only promised, but not paid.

Third parties knowingly receiving money improperly paid in breach of duty may be liable to the Principal in the amount received, e.g. if the Agent passed some of the bribe money to an employee. Those dealing with monies which are the proceeds of crime, which would include a bribe falling within the Bribery Act, see below, as the example might well, would also be potentially committing offences under the Proceeds of Crime Act: see below.

## Criminal Offences

The following are potential criminal offences which may be committed as regards the types of misconduct against which this Code is directed.

### A. England & Wales<sup>5</sup>

#### Fraud Offences

1. Where an agent seeks to make a gain from either the purchaser or the vendor, it may be a criminal offence under the Fraud Act 2006 s. 1(2) if he fails to disclose the gain to the principal or abuses his position acting for the principal and, at the relevant time, is dishonest.
2. A person may be guilty of a substantive offence of fraud where he acts in joint enterprise with another; or of conspiracy to commit fraud under the Criminal Law Act 1977; or of the common law offence of conspiracy to defraud where he has conspired with another.

#### Collusive Bidding-Up

3. If an agent and or a vendor rigs the bidding process by engaging other individuals to enter bids in order to push up the price that the purchaser will ultimately pay, they will have acted dishonestly and in order to make a gain - the vendor by a higher purchase price and the agent by a higher percentage commission. All individuals involved in this agreement may be guilty of the common law offence of conspiracy to defraud. They may also have committed offences under fair trading legislation.

#### Bribery Offences

4. Where the agent is paid a secret commission it may be an offence under the Fraud Act as set out above or, if it is part of an agreement whereby the agent will improperly perform his duties to the purchaser in return for profit, it may be an offence under the Bribery Act 2010.
  - i. It is an offence under s.1 of the Bribery Act 2010 for a person to offer, promise or give a financial advantage to another person intending that it will induce the person to perform improperly a relevant function or activity or reward the person for improper performance.
  - ii. It is an offence under s.2 of the Bribery Act 2010 for a person to request, agree to receive or accept a financial advantage from another person and intend that, in consequence, a relevant function or activity should be performed improperly whether by himself or another person.

<sup>5</sup>This section contains a statement of the law of England & Wales. Participants should take appropriate advice as to the law in other jurisdictions within the UK.

## Money Laundering Offences

5. There are three substantive money laundering offences under sections 327, 328 and 329 of the Proceeds of Crime Act 2002 relating, in general terms, to the acquisition, retention, use or control of criminal property. Property is criminal if it constitutes or represents a person's benefit from criminal conduct and the person knows or suspects that it constitutes or represents such a benefit.

## Tax Evasion Offences

6. Where a person seeks to deprive the revenue of money to which it is entitled, there are a number of offences under which he can be charged. It may be a fraud by misrepresentation, fraudulent evasion of income tax or, in the most serious cases, a charge under the common law of cheating the public revenue. There are additional offences which may be committed by a company or sole trader.

## Criminal Penalties – England & Wales

The following summarises the penalties for the offences set out above:

The maximum sentence for the offences of bribery, fraud and conspiracy to defraud is 10 years imprisonment. The maximum sentence for money laundering is 14 years imprisonment and, for fraudulent evasion of income tax, 7 years. The maximum sentence for a cheat on the public revenue is life imprisonment (although the range in the Sentencing Guidelines spans 3 – 17 years imprisonment).

The maximum sentence for a conspiracy under section 1 of the Criminal Law Act 1977 will be the same as for the substantive offence.

On conviction, a person will be liable to confiscation proceedings under part 2 of the Proceeds of Crime Act 2002. These proceedings may result in the court depriving the person of the benefit they have gained from the criminal conduct. Failure to pay a confiscation order can result in an additional term of imprisonment.

## B. Republic of Ireland<sup>6</sup>

### Fraud Offences

1. Where an agent seeks to make a gain from either the purchaser or the vendor then he or she may be guilty of the offence of making a gain or causing a loss by deception under section 6(1) of the Criminal Justice (Theft and Fraud Offences) Act 2001 (the “**2001 Act**”) if a person dishonestly, with the intention of making a gain for himself or herself or another, or of causing loss to another, by any deception induces another to do or refrain from doing an act.
2. The 2001 Act also contains an offence of obtaining services by deception under section 7, whereby, a person is guilty of an offence if a person dishonestly, with the intention of making a gain for himself or herself or another, or of causing loss to another, by any deception obtains services from another. A person obtains services from another where the other is induced to confer a benefit on some person by doing some act, or causing or permitting some act to be done, on the understanding that the benefit has been or will be paid for.

<sup>6</sup>This section contains a statement of the law of the Republic of Ireland.

## Bribery/Corruption Offences

Where the agent is paid a secret commission it may be an offence under the 2001 Act as set out above or, if it is part of an agreement whereby the agent will improperly perform his duties to the purchaser in return for profit, it may be an offence under the Criminal Justice (Corruption Offences) Act 2018 (the “**2018 Act**”).

3. Section 5 of the 2018 Act provides for offences of active and passive corruption which are similar to the bribery offences in the UK Bribery Act 2010. Under section 5(1), a person who either directly or indirectly by himself or herself or with another person (a) corruptly offers, or (b) corruptly gives or agrees to give, a gift, consideration or advantage to a person as an inducement to, or reward for, or otherwise on account of, any person doing an act in relation to his or her office, employment, position or business shall be guilty of an offence. “Corruptly” is defined in the 2018 Act as “(a) by means of making a false or misleading statement, (b) by means of withholding, concealing, altering or destroying a document or other information, or (c) by other means”.
4. Section 5(2) of the 2018 Act then provides for an offence whereby a person who, either directly or indirectly, by himself or herself or with another person corruptly requests, accepts or obtains, or agrees to accept, for himself or herself or for any other person, a gift, consideration or advantage as an inducement to, or reward for, or otherwise on account of, any person doing an act in relation to his or her office, employment, position or business.

## Money Laundering Offences

5. The Criminal Justice (Money Laundering and Terrorist Financing) Act 2010 (the “**2010 Act**”) includes an offence under section 7 of money laundering occurring within Ireland. A person commits this offence if the person engages in any of the following acts in relation to property that is the proceeds of criminal conduct: (i) concealing or disguising the true nature, source, location, disposition, movement or ownership of the property, or any rights relating to the property; (ii) converting, transferring, handling, acquiring, possessing or using the property; (iii) removing the property from, or bringing the property into, Ireland.

The “proceeds of criminal conduct” is defined as any property that is derived from or obtained through criminal conduct, whether directly or indirectly, or in whole or in part, and whether that criminal conduct occurs before, on or after the commencement of the relevant part of the 2010 Act. “Criminal conduct” is defined as conduct that constitutes an offence, conduct occurring in a place outside Ireland that constitutes an offence under the law of the place and would constitute an offence if it were to occur in Ireland or conduct occurring in a place outside Ireland that would constitute an offence under section 5 (1) or 6 (1) of the Criminal Justice (Corruption Offences) Act 2018 if it were to occur in Ireland and the person or official, as the case may be, concerned doing the act, or making the omission, concerned in relation to his or her office, employment, position or business is a foreign official within the meaning of that Act”.

6. Money laundering which occurs outside Ireland is also an offence in Ireland (section 8 of the 2010 Act) under certain circumstances, most notably where the conduct constitutes an offence under the law of that place and the person is an individual who is a citizen of

or ordinarily resident in Ireland, or a body corporate established under the law of Ireland or a company registered under the Irish Companies Acts.

7. Attempting to commit the offence under section 7 of the 2010 Act from a place outside Ireland is also an offence (section 9 of the 2010 Act). Aiding, abetting, counselling or procuring the commission of an offence under section 7 by a person in a place outside Ireland is an offence under section 10 of the 2010 Act.

## Tax Evasion Offences

8. The individual fraudulent evasion of tax or fraudulent evasion of tax with any other person or facilitating the fraudulent evasion of tax are offences under section 1078 of the Taxes Consolidation Act 1997.

## Conspiracy

9. Section 71 of the Criminal Justice Act 2006 provides for an offence of conspiracy. Under section 71(1) a person who conspires, whether in Ireland or elsewhere, with one or more persons to do an act (a) in Ireland that constitutes a serious offence, or (b) in a place outside Ireland that constitutes a serious offence under the law of that place and which would, if done in Ireland, constitute a serious offence, is guilty of an offence irrespective of whether such act actually takes place or not. A serious offence is defined as one for which a person may be punished by imprisonment for a term of 4 years or more.

## **Criminal Penalties – Republic of Ireland**

- The maximum sentence under section 6 and 7 of the 2001 Act, section 6 of the 2018 Act and section 1078 of the Taxes Consolidation Act 1997 is 5 years. The maximum sentence under sections 7 – 10 of the 2010 Act is 14 years.
- The maximum sentence for a conspiracy under section 71 of the Criminal Justice Act 2006 will be the same as for the substantive offence.
- A person may be subject to a confiscation order even in the absence of a criminal conviction under the Proceeds of Crime Act 1996 in circumstances where the applicant (either the Revenue, a member of an Garda Síochána or the Criminal Assets Bureau) has reasonable grounds for suspecting that the property, in whole or in part, directly or indirectly, constitutes the proceeds of crime and the value of the assets exceeds €5000.
